Heart of the Valley Encampment Works to Fund a Scholarship

Heart of the Valley (HOTV) Encampment, (Corvallis) chartered last Fall, is cutting and selling firewood to fund a \$500 scholarship for a local student. Four Encampment members (Brad Probst, Gene Russell, Bonnie Tomski and Daniel Lykins) aided by two Barnum Lodge members (John Criscitiello and Ed Epley) recently cut, hauled and stacked two cords of wood from a member's farm. One cord has already been sold. HOTV Encampment is committed to being active in, and contributing to, our community.

Merry Christmas

Grand Master *Ron Kunze*

I can't believe it's December as time sure seems to be flying by at a rapid pace. I hope everyone had a wonderful Thanksgiving with lots of our traditional foods and events. As we move into the Christmas season I would like to wish you all a Merry Christmas and a Happy New Year. Please help aid and assist all of those you know who are in sickness and distress.

I would like to congratulate the Noble Grand of Springfield Lodge, Brenda West who announced the arrival of her newest granddaughter (Sylvia) who weighed in at 6lbs and 2 ounces and 20 inches tall. Brenda is one happy grandmother and we are all excited for her.

The degree team never made it to Eureka Lodge in Pendleton as it was cancelled due to large amounts of snow and ice. We will be rescheduling this conferral for a better weekend. If any member would like to assist the degree team please let us know. We are always looking for new members to help us. I fear too many Lodges have forgotten how to confer the degrees. When we come to assist your Lodge I would ask that all of you 3rd degree members take up a part. Remember only 3rd degree members can hold office.

The Grand Marshal, Grand Secretary and I continued to the Wimawala Encampment for their 140th year celebration that was held at the Spencer Butte Lodge in Eugene. It was there that I met the Mayor of Eugene, The Honorable Mayor Kitty Piercy who gave a wonderful speech as she had knowledge of the history of Odd Fellowship and the Encampment and commented on the contributions the lodges had made throughout history in not only Eugene but all over the world. We spoke for about fifteen minutes and we seemed to have a lot in common. One thing we both agreed upon was that sometimes when we make decisions there will be those who agree and those who don't agree. This is where we try to find a common solution that all can live with. Thank You Kitty for the kind words you spoke of our Fraternity.

I then continued lodge visitations starting with Bandon Lodge where Grand Marshal Lloyd Fries and I had a wonderful dinner at a local restaurant and afterwards a lodge meeting where I was presented with a gift of my emblem the Eagle. This was a beautifully quilted 3 foot

by 4 foot display with the eagle quilted in the middle. I thank them very much for such a beautiful gift. From there I made my official visit to Lebanon Lodge where we had another fine meal at a restaurant and a well conducted meeting following. From there I made an official visit to Sheridan Lodge where we had the privilege of listening to Emily Addams who was one of the Delegates to go on the UN Trip. She told an awesome story of the trip and I am always thrilled to hear them. From there we visited Estacada Lodge. We had a wonderful potluck dinner and a meeting afterwards. My next visitation was to Spencer Butte Lodge in Eugene where we had fine dinner with the theme of Thanksgiving followed by their meeting. From there my next official visitation was to the Mill City Lodge with a great dinner and meeting. This lodge is in need of our Statewide Degree Team as they have new candidates, so after the New Year we will put them on the schedule and get the degree team to them. Last but not least I made a visitation to Philitarian Lodge in Roseburg, where we had a wonderful lunch and meeting. I was presented with a couple of gifts. One was a large mug glass with the three links of our fraternity engraved into it and the other was tote bag with the three links also. Thank You for the gifts and all of the contributions to my projects some of you have so generously given.

We need new members and I can see this as I travel but there is one thing I have noticed. The members who join just for the ATV park I have not seen much in Lodge. Brothers and Sisters remember we have a responsibility to ensure our future. If we are initiating those for a single sole purpose and still running low quorums at our meetings then we must ask ourselves if these are the kind of members we really need. Don't get me wrong, most of those are good people but I would still like to see them in Lodge from time to time. I know not everyone can make it all the time but it would be nice to see you once and a while. Remember quality not quantity.

Please remember,

Only we can be the stewards of our time and hope our actions makes it better for those who follow. Today we decide for tomorrow so we must remain diligent.

Ronald Kunze

Grand Patriarch *Allan Jackson*

Greetings Patriarchs,

I enjoyed the week end in Eugene, with the Pacific North West Department Council on Friday and then Northwest Odd Fellow Rebekah Association on Saturday and Sunday. The next Northwest Meeting will be hosted by Idaho, but it will be in Ontario, Oregon. I would invite everyone to make plans to attend April 10,11,12, 2015.

I hope you all had a special Thanksgiving Day. We as Odd Fellows have lots to be thankful for as members of our great Order.

On Veteran's Day, I attended the Albany Veteran's Day Parade. It's one of the largest parades in the nation with over 200 entries on a very cool and clear day.

I wish everyone a Merry Christmas and a Happy New Year.

It is still "Time To Ask" someone to join our Order so that all of the units can grow and increase membership. Thank you all for doing so.

In Faith, Hope and Charity,
Allan Jackson, Grand Patriarch

May love and light fill your home

Grand Secretary's Corner

Patricia Olson Fries

I hope everyone had a wonderful and filling Thanksgiving. And for those black Friday enthusiasts I hope you got lots of good buys.

A lot of lodges take the time in December to have a Christmas party and they remember their shut ins. It is also a time to remember those who don't have families and a time to share of ourselves to help others. What a wonderful way to celebrate what is right with the World by sharing with those less fortunate than ourselves.

December has our lodges nominating next year's officers. Choose wisely and make sure they are a third degree member and they have held two prior offices. Your desk officers will also be getting their books ready to complete the annual report that will need to be completed and sent back to the Grand Lodge office by January 31.

My wish is for everyone to have a wonderful Christmas and a Happy New Year.

Fraternally
Patty Fries

From the Desk of the Assembly Secretary

Mary Houle'

Seasons greetings to all my sisters and brothers,

The holidays are here and I wish all of you the very best. During this incredibly busy season remember to take time to relax and enjoy your family and friends. Keep in mind that we have brothers and sisters who may not have family close by and you could be the one to help them have a happier holiday season.

You will be receiving your annual report forms this month and there are no major changes this year. Please give me a call if you have any questions or problems with completing your report.

I would like to remind all the lodges that when you are giving a donation to the President's projects that you must give this donation in the form of a check. The check should be made out to the Rebekah Assembly of Oregon IOOF and mailed to the Assembly Secretary. It is not appropriate to give the President cash for her projects, this practice could cause problems for our President.

Again happy holidays to each of you,
Mary Houle', Secretary
Rebekah Assembly

Educational Seminar Committee Update

Your Educational Seminar Committee has been very busy working for the betterment of the Order since The Grand Lodge Sessions.

Each of the Odd Fellow and Rebekah Lodges should have received a letter letting you know of the changes for this committee.

We are looking forward to visiting and working with your Lodge.

The Odd Fellow and Rebekah Lodges for 2015 have been chosen and letters will be arriving shortly.

Annual Halloween Carnival at Peninsula Lodge Hall

The Portland Aikido Club meets in Peninsula Lodge Hall. They sponsored their third annual Halloween Carnival for neighborhood children and their families. Many of the Aikido Club students are members of Peninsula Lodge No. 128. The club Sensei (teacher) is David Scheer. David is currently Noble Grand at Peninsula Lodge.

Approximately one hundred people attended. Everyone had a great time. Proceeds from the event help supply scholarships to low income neighborhood children.

Joan Scheer

Lorane Rebekah Lodge No. 252

The Rebekah members hosted a Celebration of Life and potluck dinner at the hall for a local resident who passed in October. Lots of people attended and food was plentiful.

December 15th will be a social night meeting to make and decorate cookies for our annual Christmas bake sale, which will be held on the 18th from 11 am-4 pm at the hall. A nice variety of baked goods and candy will be available.

Eugene Lodge No. 55 and Spencer Butte No. 9 visited our lodge as a body and presented cards and donations. They outnumbered our lodge count. It was a very nice surprise. A potluck followed.

Our foundation contractor is moving along nicely in spite of the weather. We want to express our deep appreciation and thanks for your thoughtful and generous donations to our cause.

Merry Christmas Everyone!

Wimawhala 140 Years!

What a legacy! 140 years for Wimawhala Encampment No. 6 and years of community service for both Eugene and Springfield as well as for their members.

October 11th proved to be a wonderful day. The weather had sunny outbursts, no rain and a comfortable temperature. Decorations were purple and gold tissue paper, the food was fabulous and the individuals present were happy and talkative.

The Master of Ceremonies, Dan and Shirley Mathews were excellent at keeping the crowd interested showing a slide show of individuals who were members of the Encampment and the years of changes that have come into place. The Mayor of Eugene brought greetings from the city. Ron Kunze, Grand Master introduced the special guests. Joan Compton did the entertainment and was able to keep everyone's feet tapping. Allan and Susan Jackson gave the prayers for the day. Patty and Lloyd Fries greeted all the guests as they entered the Lodge hall.

Present members of the Encampment kept the food trays filled and seated the crowd as they came into the room.

What a wonderful time with congratulations in order!!

It is Christmas in the heart that puts
Christmas in the air ~ W.T. Ellis

A Blast From The Past...

Taken from The Pacific Odd Fellow, December 1905

The evening was passing away pleasantly with the members of N_____Lodge on the night of December 31st. The large hall was comfortable in every part; the lights burned bright and the seats were well filled. After the question was asked "Has anyone anything to offer for the Good of the Order?" Bro. N. arose and remarked that he did not know as what he had to say would exactly come under that head, yet he would beg the privilege of speaking a few words on a subject that no Odd Fellow would be frightened at—a deed of charity. He then went on to say that as he sat that morning reading the paper, his little boy, who had been out sledding, came in with a stranger lad and coaxed him to sit down by the fire. His wife and hired girl were busy making pies and cakes at a table near by and he could not help noticing the strange yearning look the stranger boy cast upon the food. So, to find out the cause he asked him what good things his mother was making for New Years. The tears almost came into the child's eyes as he replied that she was not making anything good—she had not hardly wood enough to bake a Johnny-cake that morning, and she cried, and did not eat any breakfast because his little sister asked her to make a pudding and put some raisins in it as she used to before papa died.

Bro. N. said his wife heaped up a plate of cakes and set them before the child, and then asked him what she should do for them. He told her to run over and call upon the woman, and see if she was really needy and worthy, and they would then do what they could. His wife reported that she was a widow B. Who had recently come to the place hoping to get work in one of the factories, but the hard times had closed them. She had no way of supporting herself and children but by her needle, and that in competition with a great number of girls who had been turned out of employment. She was completely discouraged and broken-hearted under her accumulated troubles, with no friend or acquaintance to sympathize or reach forth a helping hand. "Shall we help, and receive the blessing of the widow and the fatherless?" said Bro. N., as he took his seat.

After half a dozen plans were broached and discussed, one member, who was always ready with heart and hand for any good work proposed that, as he and twenty others lived near by, they should each go to their own wood pile and get a large armful of wood and lay it down softly inside the widow's gate. Then Bro. N. arose again and said he had a large basket that held over a bushel, and his wife had already placed a small assortment of food in it, and as it was not late, if all were willing, he would take it and call around at some of their homes and try to get it filled, and if those members who lived at a distance were afraid the vision of a poor mother with not fire enough to cook her morning meal would disturb their dreams, he thought they could dispel it by opening their pocket-books and handing out a few cents. The plan was received with enthusiasm, and \$10 was quickly given, and placed in the bottom of the coming well filled basket.

A week rolled by and brought with it Lodge night again and, after the closing ode was sung, group after group gathered around the fast-cooling stove, as if some very interesting subject, occupying each mind, was to be talked over.

One brother eagerly began to relate to his listeners that as he lived almost opposite the recipient of their charity, he thought he would keep a little watch next morning and see how it was received. He said after a faint smoke arose from the chimney, the woman appeared at a side door with a broom in her hand, and went to where there had once been a wood yard, and swept away the snow and gathered up a few chips; then she broke off some branches from a dry limb and went in. A few minutes later she came out onto the porch, and as she caught sight of the good fuel and basket, directed to herself, her pail dropped from her hand and she sat down as if paralyzed and burst into tears. Her children gathered around her frightened at the violence of her emotion, but at last succeeded in recalling her to herself, and she arose and with their help dragged the basket inside the door.

Bro. N. said his wife called over the next day and found the widow completely unnerved with happiness and gratitude. The children said their mother cried all the day before because they must starve, and now she had cried all the forenoon because they had so much to eat.

His wife said Mrs. B. inquired of her who she thought could be the donor, but she evaded the question and left in haste before she could again be asked.

The Lodge room was vacated with a very blissful feeling in each heart, exemplifying the truth that "it is more blessed to give than to receive."

Margaret Dora Bland Turns 102

Margaret Dora Bland Wallen turned 102 on October 14th. She is a Life Member of Golden Rule Lodge No. 78 of Grants Pass, Oregon having joined when she was a young 90 years of age. A birthday party was given in her honor at the retirement home where she resides, Countryside Village. The lodge sent three dozen roses. The Grants Pass Cavemen were there to honor Margaret. She was a Cave girl in 1938 and made most of the nation's papers when she posed for a picture while in Portland. Here are a few pictures taken at her celebration.

Our Thanks and Appreciation

The words to express our appreciation to the brothers and sisters who attended the Celebration of Life for John Blades are lacking. We were amazed at the numbers who came as well as the many who expressed their sympathy in so many ways. I thought we were bias in "our" thinking that John was dedicated to the Order, but it appears that many others felt the same. Thank you. To the members of Pearl Rebekah Lodge No. 47 and Lebanon IOOF No. 47 you have gone above and beyond the mandates of our Order. You are to be commended on the fabulous jobs you did for us getting ready for the Memorial and attending it.

All our thanks.

The family of John Blades....

Community Connection

Each lodge should have three members work on community connections. This involves mainly making ourselves known in our surroundings. It is amazing that we can occupy a building for many years but our neighbors do not know WHO WE ARE. An example: Peninsula Lodge in Portland had the usual arrangement of retail stores in our street level building. The second floor's window shades were usually shut. One day a passerby asked if we rented rooms on the second floor as he thought it was an apartment building. The building was there since 1935!

Visit your neighbors and local businesses. Take a flyer to let them know we are a fraternity and welcome inquires. If your building can lend their meeting space to others, then tell them. Contact your local Red Cross and ask if you can help, maybe sponsor a blood drive. Contact your school youth group leaders. Perhaps they could hold a social occasion or meeting in your hall.

Please let me hear from you about your activities in your neighborhood, or offer suggestions others can try.

Evergreen Area Meeting

Pearl Rebekah Lodge No. 47 of Lebanon was host to the Evergreen Area Meeting that was held at the Odd Fellow Hall Saturday October 18th. There were 45 members from 10 different lodges in attendance which included lodges from Salem, Albany, Lebanon, Philomath, Scio, Halsey, Hillsboro, Lorane, Milwaukie and Portland. The Chairman for the meeting was Brenda Spence of Pearl Rebekah Lodge, and Vice Chairman was Ginny Tallman from Social No. 73 of Philomath, who will host the Area Meeting next year. Many door prizes were given at different times during the meeting. A delicious lunch was served at noon. Shirley Mathews the President of the Rebekah Assembly was in attendance and was paying her official visit to Pearl No. 47. Pearl paid a tribute to her by putting on a drill and giving her a monetary gift and hankie with a hand crocheted edge on it. Two past Presidents from Pearl, Vickie Beaver and Rhoda Davis gave sister Shirley a gift. It is the custom of Pearl Rebekah Lodge that the Past Presidents give the current President a gift. Norma Pennington, Good of the Order Chairman gave sister Shirley a 2015 calendar which was made by the Lebanon Genealogical Society. It contains pictures of Lebanon History from the early days on each page.

Membership

As we come to the close of one year and look forward to the New Year, there are many opportunities to not only make a difference in someone's life but to reach out into the community and lend a helping hand. As we are all aware the Holidays not only bring joy to many with all the hustle and bustle of preparing for the families and friends, the parties, the fellowship that abounds during this time, but it also brings loneliness and despair to many who are not as fortunate to have families, friends and even shelter. These are the times it takes so little to make a difference. Join with your town or community to gather food for food baskets, or buy a toy for a child and donate it to Toys for Tots or one of the other groups who provide for families and children in need. Where I live there are giving trees, trees with paper ornaments with an age, gender and wish of a child, older sibling, or a senior. Sometimes the wishes are as simple as a warm pair of socks, a pair of slippers, pajamas, or a pair of gloves. My Lodge is small and we try to help in this small way because we do not have the resources to start a program of our own. Our members enjoy actually buying a present for someone rather than just writing a check from the Lodge. Another way to help is to check your elderly neighbors, do they need help raking leaves, winterizing a faucet, stacking wood, or putting away hoses and gardening implements that will not be needed again till spring. A few hours of help is sometimes appreciated more than a gift or money.

There are also more dinners planned during the Holidays by Lodges than at most any other time. Do you remember the shut-in members and have someone pick them up to come to the Lodge party or potluck? For people who are housebound many times a little outing is welcomed. If they can't come to the party maybe a plate of food or some fruit or a stocking with goodies would be a nice gesture to let them know they are not forgotten. You don't have to limit invitations to just shut-in members. Do you have some potential members that haven't committed to joining? Or someone you haven't even discussed joining with but they might be a good member? By all means this is the ideal time to invite them to see the fellowship and camaraderie that we have as Brothers and Sisters.

If you are planning an event, invite those potential members, you could use an extra pair of hands and they

Time To Call- Morand Scholarships Available

This month we are bringing you an excerpt from another 2014 Morand Scholarship Recipient who wrote, "I can't possibly tell you how much your generosity means to me. This scholarship will put me one step closer to realizing my career dreams. Without this kind of financial support, I would be unable to complete my college education." We get notes like this every year and decided to share with our Brothers and Sisters the heartfelt thanks we receive from scholarship recipients.

Time goes by so fast, the deadline of January 31st 2015 will be here before we realize it. If you have a member who is currently enrolled in a college or trade school or if a family member of a lodge member is a college student, tell them about the Morand Scholarship program. Encourage them to contact the Grand Lodge office to request an application form. There are some updates on this year's form, so make sure the student gets one from the Grand Lodge Office. Any old application forms that a lodge may have should be destroyed. If your Lodge doesn't have one of the Morand Brochures, call the Grand Lodge Office and request a supply so your members will have all the information about this wonderful scholarship program. Let's continue to make a difference in the lives of worthy students, it's not too early to get to work on the scholarship application. All the information you will need is in the application packet and the Morand Scholarship brochure.

Membership Continued: will get an idea of what we as Odd Fellows and Rebekhs do. Membership can be much simpler than we make it. Let's try to include potential members in the things we do and look forward to a great 2015. Happy Holidays!!

Jesse T. Jones Campground Grand Master Visits Golden Rule No. 78

We are nearing the end of the year and we have so much to be thankful for. We have enjoyed visiting with you and having you bring your friends and family to the park. We have accomplished a lot of my “to do” list thanks to my very hard-working team. But MANY THANKS to those who have donated their time and funds to help get these projects done. Without these generous donations we would still be struggling to finish many of the projects. I want thank the following lodges for additionally purchasing fence sections so we can finish up the pole fencing. Central Point IOOF No.193, Douglas Lodge IOOF No. 14, Etna Rebekah Lodge No. 49, Eureka Lodge IOOF No. 32, Golden Rule Lodge IOOF No. 78, Samaratin Lodge IOOF No. 2, Spencer Butte No. 9 IOOF (2 sections), Bend IOOF No.218, Montezuma IOOF No.50, Sylvia Rebekah #43, Harney IOOF No. 77, Mt Jefferson IOOF No. 196, South Tacoma IOOF (WA) No.211, Mt Pitt Rebekah Lodge No. 167 (2 sections), Harrisburg IOOF No. 12, and Estacada Lodge IOOF No. 175 as of November 14th. We appreciate all the help, and you can look up your lodge on the fence line when you come. We look forward to the new year with you and your families. We have all of the rebookings done for next year and you may call and check on your dates and or make reservations. Have a safe and wonderful Christmas and a Happy New Year.

Promoting Odd Fellowship Through Positive Communication

Cont. from Pg. 11: In a few weeks the panic among the manufacturers began to subside and one after another opened the doors of their factories and through the influence of an unknown friend, the widow once more found employment and thereby a good support for herself and children. But she never forgot the dark hour of her life; and after a long time, as the secret of her gift came to light (as all such secrets will where so many are concerned), her prayer went up for the Odd Fellows, that they might be rewarded not only in time, but eternity.

During Grand Master Ron’s visit to Golden Rule in September he had the opportunity to listen to a presentation from one of the students who went on the United Nations Pilgrimage last summer. Below Ron is pictured giving his presentation to the lodge and at the bottom he is pictured with his Grand Marshal Lloyd Fries.
