Brothers and Sisters,

I hope all of you are having a wonderful year. As I visit lodges I get asked why I don't have an itinerary of my visitations. Well, I've decided to do something different by calling and scheduling my visits. I'd rather do it like this because this gives me an idea on how lodges conduct their meetings and rituals, and gives me reasons to help on area's that need help.

I visited Lebanon No. 47 last month. I was surprised that the attendance was so good. They took me out to Applebee's for dinner and we conducted a meeting. It was nice to see everyone attending.

Peninsula No. 128 had a very nice attendance as well! I was surprised at what they were wearing. They all had on t-shirts from red to purple, on the front it said "Keep Portland Odd". I can say that they are really doing a great job in connecting with the community and rental on their lodge as well. If you have the place, rent the space!

During my visits I talk about Fraternity, Community and Fellowship. It is important to follow these three strong legs of the stool. I know that all of you are doing your very best to keep the lodges open and let's continue doing so. I'm very disappointed from all of the committees. I have not received any reports or calls from anyone. If you are having problems in any way, please contact me so I can follow up and get productive.

As you go to lodge please read your rituals and especially the Valediction. It really says what we are all about.

I'm going to schedule visits for this month hoping to see all of my Brothers and Sisters attending!

Remember to Visit the Sick, Relieve the Distressed and Educate the Orphan, and the great links of the Order" Friendship, Love and Truth". Let's work in Harmony to Enrich our Horizon to Build a Better World!

Assembly President Babe Bogeart

Well the holidays are over and a new year has begun and we all are hoping that the new year will be a better one for us all.

February will be another exciting month with all the special days; Groundhog Day, Constitution Day, Valentine’s Day and Presidents Day. You can take your pick as to which day you want to celebrate.

Food for Thought - Try planning your Lodge programs and meetings as you might plan to plant a garden. Plant four rows of LET US. LET US be faithful to duty; LET US be loyal; LET US be true to our obligations; LET US love one another. Then plant four rows of TURN UPS. TURN UP for meetings; TURN UP with a smile; TURN UP with new ideas; TURN UP with determination to make everything count for good. Next plant three rows of SQUASH. SQUASH; gossip; SQUASH criticism; SQUASH indifference. Finish with a row each of P’s PRESENCE; PROMPTNESS; PREPARATION; PRAYER; PERSEVERANCE

We do not all have the same abilities, but we all have something to offer. Friendship. Love. Loyalty and Cooperation. If you give fully of what you can do best, you are giving as much as your neighbor. EVERY member is important to the well-being of our Lodge. Our duty is to be useful according to our capabilities.

Our task is to understand, to appreciate and to preserve and to pass on to generations yet to come the great heritage and ideals of our Order which are ours to use today.

Long ago, a man named Valentine owned a beautiful garden where children came out to play. One day this kind man was imprisoned for life by the King, but he couldn’t forget the children. He sent them a note carried by a white dove addressed to “The Children I Love” and with this note, he sent them the key to his garden so they could continue to play there. For the rest of his life he remembered all his friends with messages carried by a dove and these became known as the first Valentines.

I send you all my wishes for a great Valentine’s Day. In FL &T

Change of Date for Area 3 Meeting

Vespertine Rebekah Lodge has postponed the Area 3 Meeting with President Babe Bogeart on January 11th. Some serious health issues have arisen for several members and their time will be dedicated to assisting those friends and members needing the extra time to make the necessary recovery. The new date for the Area Meeting is March 22nd. Letters and calls will be forthcoming..

Grand Patriarch *John Bennett*

We are already looking ahead to February so the first month of the New Year has already passed. During the Christmas season I listened to Oprah Winfrey have an interview with the best selling author, Anne Lamott, who wrote the book *“Help, Thanks, Wow and Stitches: A Handbook on “Super Soul Sunday”*. This book discusses how prayer can help people get through everything.

Lamott said, “We live in the hope-in the hope of truth, in the hope of light, in the hope of spiritual healing” because, first of all, to hope makes you so vulnerable. If your heart is open, it’s going to get bruised and knocked around the world and life is going to knock you around. But to hope, it is to be a child again. Out of this conversation Oprah stated, “To hope is to put yourself in the vulnerable space which we do as Encampment members. We hope for new members, we hope we are able to reach out to our communities and create many more Encampments in our wonderful state. With this can also be given the word “integrity”. A person is not given integrity. It results from the relentless pursuit of honesty at all times. We need to be honest with our members in our Encampments and let them know and help with activities.

Let’s start with us saying this prayer:

At midnight, when the old year dies,
and the new comes bounding in.

I like to be away from the clatter of celebration.

In the country, outdoors.

For I have found that it is in nature, in Your real world
that I touch reassurance when I stand outside,
close to the earth, in the good cold air.

I draw strength from knowing that in the next twelve
month the snows will go, the buds will burst, the heat
will rise, the leaves will fly.

That all these things will happen according to

Your schedule and in Your time.

That there is order in Your universe

and that I am part of it.

John Bennett
Grand Patriarch

Grand Matriarch *Jacqueline McChesney*

Well it’s now the New Year which means new officers of the year for everyone. We hope they all have a better turn out this new year than the last one.

I hope we have better weather in the next few months as I have to make up some visitations.

My Poem For The Day

Little deeds of kindness, little acts of love,
show that we’re acquainted with the Lord above.

Little deeds of kindness cheer us on our way,
and help ourselves and others have a happy day.

Acts of loving kindness prompt a happy smile,
and add a joy to living and make life worthwhile.

~ Vera Beall Parker

Grand Secretary's Corner

Patricia Olson Fries

Happy Valentine's Day everyone!

Does your lodge have any special plans to celebrate this special occasion? If not, why? This would be a perfect time to do something for your shut-ins. Send them a card or a letter to let them know you miss them at your meetings. How about taking them out to dinner? It is the little things people remember the most.

As your lodge does work or projects within your community please submit an article for the Oregon Pacific Odd Fellow paper. By sharing with others you might encourage them to try something new in their own lodge. You also let other lodges know you are an active and viable lodge.

By now you should have your annual report completed and mailed to the Grand Secretary. If not, and you have questions, please call and get help. I have arranged with a couple of lodge Secretaries to come to their hall to help with their report. I have an excel spreadsheet that copies the lines that pertain to the annual report. If you are interested call and ask for a copy. Anything that can be done to make things easier is always a plus in my book.

Plans should be in the making for your installation of your new officers. Try and make this a special occasion and invite the public, family, and friends to attend.

This month is when I mail out the Past Grand certificates and the representative forms. It is the time when you choose whom you want to represent your lodge at the Grand Lodge sessions. For the lodges that have not sent a representative please give this careful consideration. The Grand Lodge sessions are where all lodges can be heard and listened to by all. When you don't send a representative you are allowing a few lodges to make decisions that affect the whole jurisdiction. It is my hope to see more lodges represented this year.

Fraternally,
Patricia Fries, PGM, Grand Secretary

From the Desk of the Assembly Secretary

Vickie Beaver

Just a few reminders for this month. To start with thanks to the lodges that have sent in their Annual Reports. Isn't it great to get this report off your desks and on to mine.

You should have your new officers elected and beginning to plan your year's activities. Be sure to get your recommendations for either District Deputy or Lodge Deputy into me soon. Also don't forget to elect your Representatives for the Annual Sessions.

February is the end of the financial year so if you have any donations you wish to make be sure that they are into this office by the 25th of February. I will be out of town from February 18th through February 24th.

Make sure if you have any legislation changes, resolutions or petitions to be presented at sessions they be sent to me so I can get them to the committees to work on. As a reminder our Constitution was approved by Grand Lodge last session and the By-Laws will be presented to them this year. The Assembly approved both these documents at the sessions last year.

Everyone have a Happy Valentine's Day and don't forget your shut-ins with a card and visit.

Vickie

Golden Rule Lodge Plays Santa

Golden Rule Lodge No. 78 of Grants Pass voted to provide 16 families presents this past Christmas. The "Santa Committee" consisted of Jeff & Jennifer Kagay and Ken "KC" Carr. The presents to the families brought a little Christmas cheer to what, otherwise, might have been a bleak celebration. Presents for the 55 children were purchased and wrapped by Jennifer and her sons Ben and Levi.

In addition to the presents, gift cards to a local grocery store were given to each family so they could enjoy a Christmas Dinner. Besides helping these 16 families the lodge also paid electric and heating bills for two families making Christmas a little brighter and warmer.

News From Jesse T. Jones Campground

Hi, is everyone done with freezing?!! We are, and only a couple of small pipes seem to have suffered.

We are already gearing up for this summer and it is great to be hearing back from you and getting the reservation book in order. If you want to come for a holiday but think you will never get in, call now and get on the waiting list. We always seem to have a few people who get called into work or have to cancel. Make sure when you call to update your phone number and email. Also when you make a reservation please let us know if you have extra vehicles coming and we will get that information which will save you time at the check in desk. I know when you get here we are happy to see you but you want to get set up ASAP. We had 2 TV's and a VCR donated to the pavilion so you can bring your game systems and hook them up and play down there or watch the movies. We have a few on hand in the game cupboard you can borrow. I am also looking for an electronic dart board for something else to do when it rains or after dark. We really want you to use the pavilion and mingle with the other campers.

We are still working on the rider fit training courses and will update you as soon as we have more information.

During SPRING BREAK this year HECETA Lodge will be doing a fundraising breakfast so you can have a morning off from cooking. They also hope to have a couple of more things in the works for that week. We will email you if you let us know your email address. If you have a suggestion please email us or call the park.

Repairs are coming along and we will be doing another park clean up soon. The 3rd weekend in February if the weather permits. *Continued page seven...*

Thank you one and all for sharing your unused Christmas cards that were sent to residents of the Holgate Center! They were truly enjoyed.

President Babe,
Grand Master Nick

We had our Christmas Pollyanna Party where a pot lunch was served and the members visited and enjoyed the company of friends. We also celebrated the Anniversary of Bonnie Hess who joined the Lodge in 1945 and has been an active member for 67 years. We decided rather than exchange gifts we would just bring food that we could give to the local food bank for those in need. The time was very nice and we enjoyed the chance to sit and visit.

Continued from page six, JTI Campground: So come work one day and play one day. Call me and let me know if you can make it. The date is February 21st and 22nd. Again we are excited and are trying to get a lot done before the season hits full on. Ron Farmer found a commercial chipper for the park and we are currently raising donations to pay him back. He got a great deal at \$ 2000.00 for the chipper and a pickup truck. We will be able to use the chips in the park and not have to have burn piles any more. Thank you Ron!!!

Just a note, if you are down visiting the coast but not camping here, stop in and see the park. We would love to visit with you and answer any questions you may have about the park

See you all soon.

Eugene Rebekah Lodge No. 55

Eugene has been busy this year. We joined the Odd Fellows in March for a Joint Installation of officers and helped Lorane install their members April 1st.

The Rebekahs had a "Stanley Party" in May. Some of our members remembered the great products but didn't know they still had parties. We were able to get a lot of good products and make over \$100.00 for our lodge.

Several of us were at Rebekah Assembly in May, and took in as many of the receptions for the Grand Officers as possible.

John Bennett, one of our members became Grand Patriarch of the Grand Encampment and we were busy helping with his Reception. We worked with John at the Labor Day Festivities at the Jesse T. Jones Camp-ground and learned a lot about putting up a tent in the rain, sleeping on the ground, (with foam mattresses that did not deflate during the night), taking down a tent in the rain and loading two carloads of STUFF in one van. We even made reservations for next year.

Elizabeth Johnson's granddaughter, Primavera has been going to school in Puerto Rico. She came home to visit. We had a luncheon for her and got to hear about how things are done in Puerto Rico. Primavera is the youngest of our members. She joined the Junction City Lodge as soon as she was old enough to join and attended regularly until she graduated from high school. She became a member of Eugene when Junction City consolidated with us.

Primavera and Grandmother Elizabeth Johnson

We have lost members this year. Some we haven't seen for a long time. Others like Gordon Fish, we were fortunate to see every month. We have a lot of members unable to come because of illness. I still say it is a shame that we wait all of our lives to get old enough to do anything we want, then can't do it because we wore ourselves out getting here.

We had our annual Harvest Dinner in November and a Play Night Christmas Party, with dinner at our second meeting in December. We are planning for the Area Meeting at our lodge in February, installation of new officers in March and then it's May, Assembly time again.

We have been lucky to have 10-12 members out to each of our meetings. Right now we are looking forward to having some time when we are not planning meals. We have worked out menus for about 5 different occasions this past month, with more to come. Good thing they are all for good causes, good friends, and good food.

Teddy Bears Donated for the Children

At the Area 1 Meeting in October, held at Beulah Rebekah Lodge No. 35 to Honor Rebekah Assembly President Babe Bogart we collected Teddy Bears and donated them to the traumatized children at Doernbecher’s Children’s Hospital. A special letter which we all signed was included so they would know who had donated them instead of just handing them out and saying who we were. Salem Rebekah Lodge No. 1 also collected Teddy Bears for this and donated them to the Liberty House in Salem for the traumatized children there. A good way to get our name out.

Homecoming in Salem

January 9th was the Homecoming date for Chemeketa Lodge No. 1. This was to honor and remember the anniversary of our lodge which was instituted in 1852. The evening began with a nice dinner with a choice of turkey or ham served by Francis Kuper, Cyndi Smith, Willard Wallace, Gary Russell and Melanie Hall. Several of our members helped with serving dinner and then with the task of clean-up. (My thanks to each of them!) Next was a dessert auction, where Salem Rebekah Lodge No. 1 earned \$205.00 to donate to the Marion Polk Food Share. There were approximately 55 lodge members and family members present. The evening concluded with both lodges having their regular meetings.

UNEP Deadlines

The 2014 United Nations Educational Pilgrimage for Youth tour is really moving along. We have 23 delegates this year. We had 28 in 2013 and 14 in both 2012 and 2011. I want to congratulate all of you for your efforts. I had originally set a deadline of February 10th for the balance of the fees and the Delegate Registration Forms. However, I am going to set both of those dates back just a little. My wife and I will be in the Cook Islands from February 4th to February 16th. We will not have phone or Internet connections at all for that time

Please send me the balance due (which is \$900 per delegate) by February 18, 2014. Send this to me at my home address. But please make the checks out to: Grand Lodge of Oregon, IOOF. Please do not be late.

All Delegate Registration forms are due February 28th. Students must have their medical forms filled out and include a copy of a valid passport book (not a card). I have been in constant contact with the 23 delegates and their parents. However... it would be great if you would give them a call and ask how things are going. Sovereign Grand Lodge has a \$50 late fee for each thing turned in late. That means \$50 for a Registration Form and/or \$50 for the money that is due.

If you have any problems or concerns, please contact me. Also, if any lodge or individual is looking for a good project to donate, please consider the UNEP. Many lodges cannot send delegates for a variety of reasons. But they might be able to donate to the State UNEP Committee. We use all donations to lower the fees for those lodges who are able to send delegates. Every year we are able to bring in money that allows us to offset the actual costs. If you would like to donate, send the check to me, but make it out to the Grand Lodge. Make a note that this is a donation, so that we don't misunderstand what the money is for.

Respect Our Heritage

By

Frank Shrives, Sovereign Grand Master
 From the International Odd Fellow, February 1975

An organization remains strong and vital only as long as its membership continues to work together for a common cause and goal. History has proven that the downfall of any nation or government usually starts from within. The Independent Order of Odd Fellows is no exception. If we continue to let personal jealousy, half truths, and unproven innuendos be the topic of discussions in many grand bodies and lodges, we are headed towards utter chaos.

My Brothers and Sisters this Order and its members must rise above small minds and small people. They have no place in an organization that is dedicated to the purpose of improving and elevating the character of man.

If you have nothing good to say about your fellow man, then do yourself a favor and say nothing.
