*God made a wonderful mother,
a mother who never grows old;
He made her smile of the sunshine,

BSA Crew 240

BSA Crew 240 is chartered by the Independent Order of Odd Fellows Montezuma Lodge No. 50

On a cold and rainy Saturday, Montezuma No. 50's Boy Scout Crew packed up its camping gear and headed into the Big City. Most months, Crew 240 heads away from the Big City, but February and August are always different for the Crew. Crew 240 pauses its outdoor camping programs and turns its focus on service to others. February 15th, the Crew decided to take all of its outdoor cooking gear that it has been blessed with, and share a meal, coffee, and hot chocolate with Portland's homeless and transient community under the Burnside Bridge.

The selfless act was challenging. Coordinating a brown lunch bag assembly line, getting the gear packed into the trailer, and setting up the camp kitchen were all minor challenges compared to leaving our reservations, judgments, and stereotypes behind. The Scouts at first were timid and reserved. However after a little coaching by the adult leaders, they came out of their shells, and began to warm up to the service idea.

Left: Ty pouring coffee

All 45 sack lunches were passed out and 5 gallons of hot coffee and hot chocolate were served. More importantly, the Scouts interacted with the community under the Burnside Bridge, and reminded some of those in that community that they are not forgotten. All of the Scouts left with a new sense of humbleness and an appreciation for the blessings they have back in the suburbs.

Emily being her usual playful self

The following week, Crew 240 headed off to the Oregon Food Bank to repackage bulk vegetables into smaller more manageable bags. We joined forces with 30 other volunteers from the Washington County area. In less than two hours the collective forces were able to reprocess 5,000 + lbs. of snap peas and get them stacked on a pallet for distribution statewide.

Brothers and Sisters,

Well! I can surely say one thing we have a Beautiful State! During my travels Southern Oregon has so much history and things to see, as well as Eastern Oregon, the magnificent "Blues Mountains" are truly Breath taking. Last month I was able to visit Eastern Oregon and WOW! The Mountains were at their peak, also the weather was in my favor. I'm concerned about Baker City. They are at their lowest in membership. I will be making a trip in July with the Degree team to muster up membership. I want to Thank all those lodge members for their hospitality and their warm welcome!

Rocky Point is open and ready for business for those of you that are having cabin fever, it is truly a Gem! I encourage you all to at least visit it once and get to know the New Managers. You already might know them, Craig and Susan Johnson. They are the previous managers from Jesse T. Jones Park. They have come to manage the Resort, so if you are in the area stop in and say Hi! Bring your fishing pole or RV or pitch a tent and stay with us.

Well, It's that time again, Grand Sessions in Canyonville, Oregon at Seven Feathers Resort. I'm happy to say that this year has been truly an eye-opener for me as well as making many friends. I've met wonderful Brothers and Sisters along my journey.

I would like to say Thanks from the bottom of my Heart for your support and your Trust in serving as your Grand Master! It truly has been an Honor. I can certainly say that I hope that I was able to Make a Difference or perhaps inspire one of you to bring to your meetings "Fraternity, Fellowship and Community." "Some of you that I met along my journey embraced me with assurance that we will be Pulling Together to Make it Happen! I know that all of you are doing your very Best for your lodges. I will be in touch with most of you as our paths cross. My Brothers and Sisters we are a Fraternity that has been here well over 200 years and we need to continue this Legacy 200 more years! Remember the "Three Legged Stool" Have a Wonderful Day! See you at Grand Sessions! VIVA ODD FELLOWS! Don't forget to bring your Green Cards to sessions!

Thanks go out to the members who cleaned the lodge hall recently. It was much needed.

The Eagle Scout Court of Honor Ceremony was held at the lodge hall for Darin Houle' who just earned his Eagle Scout Badge. The lodge hall was packed full of guests. Out lodge was his sponsor and our very first one. Congratulations, Darin.

A social meeting was held for installation of Officers, and they are Noble Grand Sande Maxwell, Vice Grand Lorena Mitchell, Treasurer Alice Pellham and Leon Houle' as three-year trustee. Potluck was served after the meeting.

Adopt a highway was held to collect the trash on our designated three miles here in Lorane recently.

Assembly President Babe Bogeart

Dear Sisters & Brothers,

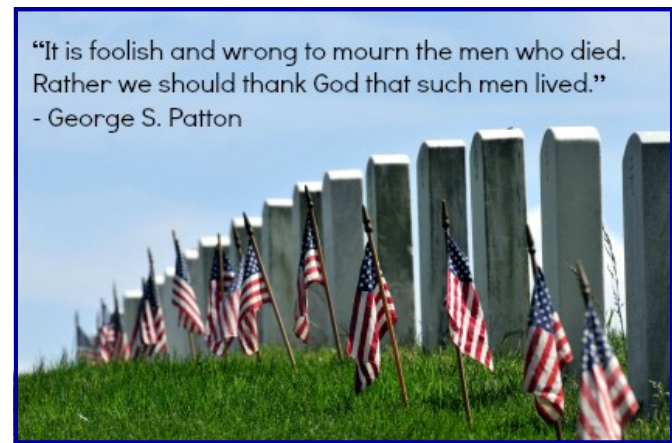

This being my last message to you all, there are mixed emotions as I come to the end of my service as your Assembly President. It has been a very rewarding year and I have loved every minute of it. You all have been the best of friends and companions that anyone could ever want. The Officers and Committee People have done more than was expected of them and are to be commended for all they have done. There are certain people that I must point out that have gone beyond the commitment of service and give them well deserved praise. They are our Jewelry Committee and my Marshal. All the Lodges went all out for my visitations and there aren't enough words to thank you. I look forward to having some time with my family and maybe a little rest after Session. It is hoped that you all will attend the sessions as it should be a good one.

We have some great Lodges in this state and I am proud to announce that it will continue to be so with what I have seen. We are still working to increase our youth groups and they are getting closer and some Lodges are interested in starting to develop more. These are our future, so be there when you are needed.

I have been honored to go to the placing of the wreath at Arlington, and what an exciting experience. Again my thanks to you all for your support.

Grand Patriarch *John Bennett*

I need to say thank you to each Encampment member who has made my year so memorable. Each of you have gone out of your way to give me “a helping hand” and to make sure that I was aware of all that was going on in your Encampment and among your members.

I am pleased with the two new Encampments and how they are learning to work with their communities. I do know that each have projects that are worthwhile and are taking hold of getting them done.

As a last word read this quotation carefully-
 “Excellence can be achieved if yourisk more than others think is safe; love more than others is wise; dream more than others think is practical and expect more than others think is possible!”

Don't forget –have faith, hope and charity-how do I know, the Bible tells me so. See you at Sessions.

John Bennett,
 Grand Patriarch

Grand Matriarch *Jacqueline McChesney*

Hi Everyone! May is here and this is my last letter as Grand Matriarch. Thank you all for your support this year.

We had a very nice luncheon at Wild Horse Casino with the LEA ladies from that area. They had five members and two guests.

I'm trying to get all of my stuff lined up for Canyonville Grand Lodge Sessions.

As you can see I'm not very good at writing letters. Please take the time to help the kids to read, spell and have a good work habit for school. Help in the school if you have the time, it will make a difference later in their lives.

Grand Secretary's Corner

Patricia Olson Fries

What a month this has been. I want to thank my brothers and sisters for allowing me to be there for my brother who has bladder cancer. As I write this article he is in his last days so I will be sitting with him a lot more. He never married and has no children and I don't want him to be alone. My family has done a lot of visiting over the last couple of weeks. But it is now to the point where he is very weak and will probably be in bed from now on. Again, thank you for the time I have been allowed.

But our jurisdiction needs to also keep Grand Warden Sheryl Rohde in our prayers as she is undergoing chemo for her colon cancer. We just got word also that Past Grand Master John Blades has been diagnosed with Lung cancer. Please remember to keep them and their families in your prayers for a speedy recovery.

Fraternally

From the Desk of the Assembly Secretary

Vickie Beaver

Sessions are just a few weeks away and I hope that everyone has their plans in place to attend. This is a time of learning and fellowship. A time to greet friends and make new friendships.

I once again would like to thank each of the secretaries for their hard work this past year. By working together we have been able to complete the work of the Assembly and our lodges. Great job.

There will be a desk officers meeting on Wednesday of sessions. We will meet right after closing. As secretary if you are not able to attend will you please let me know who you would like to pick up your lodge packet. If I am not notified I will send it to you at the close of sessions. Please be sure to read the information that is enclosed in the packets. The information that is presented is important to your lodge. I will once again be placing your Per Capita notice in that packet. We will also try to have a copy of your Life Members. Life Membership will one of the topics that Kathy Creason and I will be discussing at the meeting.

Looking forward to seeing you at sessions.

TAKE NOTE: SPECIAL!! SPECIAL!!

Saturday, April 19th Heceta Odd Fellow Lodge held an initiatory degree for their meeting. Thirteen individuals took the degree with 24 members being present. Six of the members who took the degree belong to Springfield Odd Fellow Lodge. What a challenge for other Odd Fellow Lodges!!!

Tualatin Area Meeting

Tualatin Area met for its 22nd and final meeting. President Babe Bogart was surrounded by Rebekahs from Aloha No. 253, Vespertine No. 74 and Hillsboro No. 54. Rainbow No. 212 (Sherwood) were not able to attend but sent their wonderful donuts for all of us to enjoy. Vespertine No.74 hosted the event. We have a *Seasonal Tree* that was laden with teddy bears of all sizes.

Decorations were the colors of our president - yellow and green - with daffodils from several of the local gardens. A special treat for the Past Chairmen were crocheted daffodils made for them by Rebekah Kathy Lake of the Albany Lodge. Kathy Fullmer (Hillsboro) gave the tribute. Vespertine presented a tote bag with the President's name and embroidered Teddy bears. A polling earlier in the year found that since we were located in the heart of "wine" country a fitting name could be "**Vineyard Area**". All lodges were in agreement! Our first area meeting will be hosted by Aloha No. 253. Liz Adams (Aloha) was our auctioneer for the many wonderful gifts and all monies went to our President's projects.

At this point, Kapil Varma and family arrived and were introduced to the members. Marshal Liz Adams skipped across the floor and presented him to President Babe. Kapil performed his recital, receiving a standing ovation.

He will be going to India in August to visit family and have his "rite of passage" ceremony in their temple. A wonderful feast was enjoyed by all! The afternoon session provided a school of instruction as to how "not" to exit and ending with the proper protocol for making a lodge visit to a sister lodge. Lots of laughs, music and special thanks to all for their participation. We ended our day with singing "God be With you Till We Meet Again."

Joint Installation Held in Madras

On Saturday, March 22nd a joint installation was held in Madras for Juniper and Redmond Rebekah Lodges. Installing officers were: District Deputy President Judy Keillor, Grand Marshal Nancy Carter and Chaplain Deanna Singleton. Installed officers for Juniper were Noble Grand Doris Rednaur, Vice Grand Martha Price, Secretary Dorothy Burgess and Treasurer Marilyn Watts. Redmond officers are Noble Grand David Gregory, Vice Grand Kathryn George, Secretary Nancy Carter and Treasurer Deanna Singleton.

Afterward we were hosted for dinner at The Black Bear Restaurant in Madras by Mt. Jefferson Odd Fellow Lodge. This was their annual Roll Call Dinner for all lodges. Attending were Redmond and Juniper Rebekah lodges also Bend and Mt. Jefferson Odd Fellow lodges. It was an enjoyable day as we not only conducted business, but had a chance to visit and share time with all our friends from the other lodges in Deschutes District.

Peninsula Lodge No. 128

Peninsula Lodge installed their new officers March 11th. District Deputy Grand Master Claus Scheer installed the following: Noble Grand, David Scheer; Vice-Grand Paul Lesniak; Secretary, Merrilea Manning; Financial Secretary, Shannon Clark; Treasurer, Julie Mainwaring. George Ellis served as the Installing Marshal.

Some of the events planned for this year begin with the Children's Day Festival. This is the fourth year for this popular community affair. It is held in May each year to coincide with ones held in Japan. This year's celebration will be May 17th. It features youth groups from local schools, and area churches. Each group has a twenty minute time slot to perform. One school is sending their youth choir, another a baton and bugle marching band, another a dance team. These groups were arranged by parents in our lodge, and our Aikido class, with parent-teacher groups which their children attend. Performing groups are scheduled from 11:00 A.M to 6:00 P.M. Proceeds of the day support our scholarship programs.

Another event that is held each year is our Safety Fair. This all day event is a big hit with the community. We have representatives from the American Red Cross present safety procedures to follow in case of a natural disaster. The local fire department usually has a fire truck and personnel on hand to acquaint children and adults with their work. Several ambulance companies also send equipment and employees to educate the community about emergency calls. Several members of Peninsula are police officers who give information on public safety.

These are some of the ways Peninsula Lodge has strengthened their community. It has given us valuable exposure to the area. We have also gained several new members this way. Perhaps your lodge could sponsor similar events. We would be glad to share ideas to help your lodge get started in your area.

It has been an Honor to be your Deputy Grand Master. As I have traveled to many Lodges in several jurisdictions I have had the Honor of meeting some of the Finest People in this Great State, some of those whom I met were members of Columbia Lodge No. 5 in The Dalles. There I had the privilege of talking to one of the members who gave me the history of Arlington National Cemetery and why it is where it is today. He reminded me of myself 20 years ago as I was also a history buff and would read everything I was fascinated with. We have PGM John Blades to thank for jump starting them and getting them up and running. Thank you to all of the Columbia No. 5 members who made this happen.

Our Order is strong in some areas and weak in others. Membership is the no. 1 problem that needs to be addressed immediately and in doing so we must remember to be kind to others and be willing to listen to every thought and idea a member may have. Only when we work together can we remain strong. Keep your actions transparent and think as a whole in working together and you will continue to build that strong foundation and that foundation will last and all members will feel that they are truly a vital part of your Lodge, and in saying so it should also be said no small group should run your Lodge.

As we approach our annual sessions I would like to point out one thing, we have seen a drop in representatives at Grand Lodge Sessions. We should have many more members present along with their representatives to be a part of our elections and voting. If your Lodge has not sent representatives in the past to attend our sessions for whatever reason then please reconsider by electing and sending them. You are needed.

Remember a journey of a thousand miles starts with one single step. Lets take that step together.

In Friendship, Love and Truth,
Ronald Kunze Deputy Grand Master

We are ready and waiting to see you all again. Spring Fling is over and the season is underway. If you have reservations and have changed your phone number please give us a call and update. We usually call and confirm for the holidays as we have a list of members waiting to come and camp. We are going to enter a float in the Rhody Days parade this year so if you have reservations that weekend stay a little late and join us.

We are still taking donations for sections of fence trying to finish building the rest before our supplier retires and closes his business. If you have any questions feel free about giving me a call.

If you are booked for Memorial Day you can treat yourself to no cooking and no dishes each morning Saturday-Monday as Heceta Lodge does a fundraiser breakfast each of these days.

Someone mentioned that we should put out a wish list and I know the men would like a smaller tractor than THE BEAST to work with. If you are retiring one of yours or you are giving up that outdoor work and could donate one they would sure be grateful.

Come on down and bring your friends and family for fun in the sun and sand.
