Sharon & Roger

Spencer Butte Odd Fellow Lodge No. 9, Eugene, had the privilege of having one of their members receive an “Extra Mile Award” for being a devoted volunteer in the Lane County Senior Meals Program for the last 24 years. Roger is very entertaining in his speech and actions, from telling a joke to dressing up in garish costumes for just about any occasion. Roger’s duties include bingo calling and helping out any one who is in need of a hand in the dining room. He is also a very dedicated helper on all of their fund raising endeavors. Veneta Senior Meals are not the only ones to benefit from his good *Continued Page 4...*

Several members attended the Area meeting in Eugene on March 8th. A fun time on a beautiful day. We enjoyed home-made soup and sandwiches followed by the JJYC meeting. Some members also attended the Area meeting at Vespertine Rebekah Lodge No. 74.

Billie Jean Beech donated money for rose bushes for the Holgate memorial gardens. Robert Worthington reported that the Odd Fellows from Star and Mt. Scott have agreed to donate a sum to purchase more rose bushes in remembrance of others. Holgate has already designated a garden area. *Continued page six...*

Grand Master *Ron Kunze*

Brothers and Sisters,

I would like to thank you all for electing me as your Grand Master for the ensuing year. The 2014 sessions in Canyonville went smoothly and we all had a wonderful time conducting the usual Grand Lodge business. We had

some unusually close elections for board members. I personally would like to thank all of my appointed officers for accepting their new positions and for the Grand body whom voted to accept them for my year.

I had the Honor during sessions of sitting with Past Sovereign Grand Master Charles L. Renninger from Largo, MD. He was very knowledgeable in the laws and rules of Odd Fellowship and passed on lots of thoughts to me. He truly is an asset to our Order. One point that was brought to my attention was Federal EIN numbers for our Lodges. All Lodges must have one of these numbers whether you have money or not. It is also very important to file the tax forms on time for if you do not then you could and will possibly lose your tax exempt status so please double check the next time you are meeting. If for any reason you need help with this please contact me or the Grand Secretary and we will assist you.

I would like to thank Amy Struthers for singing "When You Say Nothing At All" by Allison Krauss and The Union Station for my wife Patti and I. She inspired so many as she was singing it and I was told by several ladies later on that they were in (joyful) tears. She truly is an asset to our Order, not only in the Rebekahs but the Odd Fellows as well. She never hesitated once when asked to help so thank you again Amy, you have a wonderful voice and over the years when I have heard you sing you have brought us Joy.

As we move onward in our beloved Order I would like any and all Lodges to contact myself and or the Grand Lodge office if you have any concerns or issues we can help you with. Remember we cannot help you if we do not know you need help so please for the sake of Odd Fellowship give us a call when needed. If a degree team is needed we are willing and Past Grand Master Nick loves to chauffer us around and we are blessed for his time in doing so. He may even throw in a joke or two but remember if he wants coffee he likes 3 creams in 1 small cup.

During my visitations I would like to observe the status of your building. Too many times we find repairs are costly and we avoid them due to lack of funds or time and then it costs more. I have seen first hand what can happen if we are not timely in our maintenance.

I have asked each and every Lodge for a one on one visitation so I can see for myself. I am not trying to cause hardship in any way but in doing it this way I can get a better idea of your buildings condition and in doing so a better way for me to suggest a solution.

Remember to visit our sick and relieve our distressed. This is our duty and we must find the time to do this as I can tell you first-hand it means a lot to someone to be thought of. Please keep PGM John Blades and his family in your thoughts and prayers as he is going through treatment. John has done so much for Odd Fellowship and we are grateful to him and look forward to seeing him back at Lodge soon.

Have a GREAT SUMMER and talk to people about who we are and what we do.

In Friendship, Love and Truth,
Ron Kunze, Grand Master

Grand Matriarch Teresa Dyer

Greetings Matriarchs,

I thank everyone in attendance Tuesday May 13th, breakfast through installation. I especially wish to thank the installing team, Vivan Weaver, Pat Anderson, Pearlle Stewart, Patty Fries,

Larry Safley and Gary Hahn. All but Pat have familial legacy to the Order. The veteran Past Grand Patriarch, Vivan, served in 1982, and was our installing Grand Patriarch, Vivan's mother, (Granny) Mary Weaver was Grand Matriarch in 1961-62. Interestingly, she was nominated by my own grandmother, Almira Dyer. Granny Mary served the year after Edna Giddings, 1960-61, mother of installing marshals Pearlle Stewart and Patty Fries. Lauretta Safley followed Granny in 1962-63, mother of installing Outside Sentinel Larry. His father, Rodney served in 1964-65.

His late wife Kathleen was Grand Matriarch in 1996-1997. She was followed by Pat Anderson, 1997-1998, installing Grand Matriarch. Our installing Grand High Priest was Gary Hahn. His mother served as Grand Matriarch in 1974-75. Patty went through the chairs in 1993-94. Pearlle was my partner last time through in 2010-2011 and this time it is Allan Jackson. His father J. Merle Jackson who was Grand Patriarch 1979-1980. I also wish to thank the DDGMs for accepting their commissions.

I am so glad to announce...Susan Jackson has been elected and installed as our Grand Junior Warden.

I have plans for a Statewide Address book with the names, numbers and addresses all in the same location. Not that I wouldn't be surprised if those with cell phones have those already. Ladies, if you use a cell phone, please do not store it in your bra unless you want breast cancer. Cell phones emit radiation so be aware. Quartz crystals and other rocks and minerals can help reduce the emission field surrounding the cell phone, television, computer monitors, and microwave ovens by absorbing the harmful rays and transmitting those energies for the highest and good of the planet.

Our Ambassador of Friendship is Kathy Lake. If anyone has any excess greeting cards, let us know. We'll make good use of those cards.

My official project is the Friendship Fund. *Continued...*

Grand Patriarch Allan Jackson

Greetings,

By the time you read this, my first letter as Grand Patriarch of the Grand Encampment of Oregon, our Grand Lodge Sessions will be in the book of history.

This is one of the first sunny days we have had after the rain and clouds. The grass seed field in front of the house is growing fast. I hope that this year "we" can continue to grow the Order.

I think of all the Grand Patriarchs that have been in this office before me, and the ones that I have known personally. This is a most high honor for me to follow them as Grand Patriarch.

I thank the members and officers for giving me this opportunity to serve as Grand Patriarch of the Grand Encampment of Oregon.

There is one Past Grand Patriarch, however, that I want to honor. He served the years of 1979-1980. That was my dad, J. Merle Jackson. This is indeed an honor to hold this office like all the other grand Patriarchs before me.

I am looking forward to this new Odd Fellow year, and visiting all of the Encampments in Oregon.

It is still "Time to Ask" someone to join our Order, so that all of the units can grow and increase membership.

In Faith, Hope and Charity,

Allan Jackson, Grand Patriarch

Spencer Butte, continued from cover... will. He and Sharon are strong supporters of Relay for Life and Out of the Darkness dealing with teen suicide. They have experienced personal tragedy in both connections. Congratulations on both accounts—Roger and Sharon and the Odd Fellow Lodge for having such dedicated members!

Grand Matriarch continued... I look forward to visiting each of the remaining auxiliaries over the next few months, before bad weather sets in.

In Friendship, Love and Truth, Faith, Hope and Charity,
Teresa

Our Grand Lodge sessions are behind us and our new officers are installed and on the road to complete their year. I wish for all our new officers a hearty good year and hope you have loads of fun with our Odd Fellow Lodges. There is one thing I need to let the Lodge Treasurer know. When you are giving a monetary gift to the Grand Master you need to make the check out to the Grand Lodge if you want the funds to go to his projects. If you are giving the Grand Master funds for his own expenses then you can make the check out to them personally. That way there is no question what the funds are for.

One thing we were made aware of at sessions is to remind all lodges they need to be registered with the Secretary of State Corporation Division. This is a yearly filing that costs \$50.00. In order for us to be non profit in the jurisdiction of Oregon we are required to file this. I got online and discovered some of our lodges were not current. So I filled out the forms and mailed them to the lodges. You will need to sign them and cut a check for \$50.00 and mail it in. You do not want to lose your non profit status.

All committee people I want you to be watching your mail as a letter will be sent out regarding the Committee training session that will be held by your Grand Master and Assembly President. Please mark your calendar when you receive this information and plan on attending. This is when your committee will do their brainstorming and kick off your year. Some committees in the past have not been very active and it is our hope to correct this issue.

For now I look forward to this year with our new officers and I know they will represent the Order with honor.

Fraternally submitted,
Patty Fries, PGM, Grand Secretary

Rocky Point Resort

Hi Campers, ATVers, Fisherperson, Hunters and most important Brothers and Sisters,

Craig and Susan coming at you from Rocky Point Resort. Susan and I are so happy to be able to come down to RPR and have this opportunity to help make your resort the southern jewel of the Odd Fellow's parks

We really do have a wonderful place here. There is so much to do here, I don't even know where to start. Well I guess I do.....**FISHING!!** If you are a fisherperson, this is the place to come to. There is no other place like this in the US other than Alaska, where you can catch Rainbow Trout the size we have here. They come right off our dock, up to 15lbs. I got the first chance to go fishing the other day with Francis Kuper. I got two small ones...one 5 1/2 lbs and the other 7 lbs, they looked like steelheads. If you like fishing, again there is NO other place like this in the lower 48. It is the best kept secret in Oregon and I hope to let it out.

We also have some of the best bird watching areas you can find in the state. I have seen so many different kinds that I have never seen before in my life. Many people come from all over the West Coast just to see all of the different species of birds. You can rent a boat or a canoe and travel through our marsh trails. It is a beautiful canoe ride. Gosh, where do I go next, so much to do. We also have many hiking trails just minutes from the resort, that travel along the creeks and go through many beautiful places. Fort Klamath museum is right up the road a short bit. This is a great place to take in the local history and spend a half day. For all you ATVers, we have hundreds of miles of trails and roads to ride if you have a set of dirt tires for your sand vehicle. I haven't been on them yet, but one of our helpers rides and tells me you can go all day and never see the same trail twice. There is so much to do here, that there isn't enough paper to tell you it all. You are just going to have to come and see for yourself. This is really an awesome place and again the FISHING! Now a little about the resort. Our restaurant is open daily from 8am to 8pm. We have 5 motel rooms and 4 cabins (three 1 bedroom and one 2 bedroom). We have 14 full RV hook up sites and 10 partial hook up sites (power and water) and one dump site and 5 tent sites. We have a laundry room, gas dock and boat moorage. Our boats consists of 4 motor boats, 12 canoes, 3 kayaks and 2 paddle boats for rent. Susan and I would love to see all of you. Please come and

check out our wonderful resort, it really isn't that far away and it is easy to find. If you come once you will come again and again. It's a great place to take your family. Give us a call and make a reservation today and spend some time with us. We will try and make your stay one you won't forget. We need all of you to make this a great success. Joyce Clark is starting an adopt a motel room or cabin program. There are some things we would like to do to update the resort. Please take a look at this. If you or your lodge want to help, we could really use it. We are trying hard to make this a great success and your support would be greatly heartfelt. On a personal note, Susan and I would like to thank all of our Brothers and Sisters out there that have been so supportive of us and to give us the opportunity to manage such a wonderful place. We feel blessed to have this opportunity and are committed to making this the best place to come in southern Oregon. Again thank you all. Oh, and by the way, you **CAN** have a campfire here.

Thank you all,

Your Rocky Point Managers

Craig and Susan Johnson

Spring has Sprung and we had a good turnout for the first big campout of the year. Since Easter fell during this weekend Chemeketa Lodge threw an Easter Egg hunt for the children. Look at them go for the

EGGS! We are busy getting ready for Memorial Day weekend but took time out for the Rhody Parade this year and en-

tered a float. We had a great time and it was the only time it rained during the weekend of course.

Make sure you call as soon as possible to book your reservations for this summer as sites are filling fast. On June 7th Cleowox Lake right by us holds a family fishing day. They provide equipment and volunteers are there to help bait and give instructions. Only people 14 or older need a license. On July 4th the park has all of their fourth of July celebrations and if you are interested in coming call and get on the waiting list ASAP. We are booked full but we do usually have some cancellations. That applies for Labor Day also but that list is much shorter this year. On July 19th we will be having our annual ALL DEGREE DAY hosted by Heceta Lodge here at the park. If you have members who have been approved and voted on bring them on down to get their degrees and to see the park.

We have received some donations towards the computer that the office needs and are very grateful for the contributions. We are only about \$100.00 short of our goal.

Again thank you all so much for your support this year as it has helped us do great things here at the park. Looking forward to seeing you, bring a friend and come on down.

Your Editor Believes...

We are on the threshold of a new beginning. The first step forward of our leaders must be firm and sure for where they lead we must follow to hold fast to continuity.

The privilege of Odd Fellowship is a rich heritage. It must be protected, it must not die! Leaders alone cannot do this, it takes a united effort of concerned Brothers and Sisters.

Time produces a certain amount of decay in any foundation if it is not properly maintained. Little bits of jealousy, criticism, bitterness, stubbornness, lack of pride and lack of unity have slowly crept in where once Friendship, Love and Truth provided a solid base for Rebekah / Odd Fellowship! The time has come today to eliminate all signs of decay and reinforce that solid foundation on which our heritage is based. Tomorrow is too late, today is the day to begin!

Each member bringing in one new member during this year is one sure prescription to eliminate decay and show faith and pride in the greatest Fraternity on earth. The Independent Order of Odd Fellows.

The cure is available and known. Which way we go rests with each individual Odd fellow and Rebekah. Join the activity and begin or let it slowly decay and fade into oblivion. It is all up to you!

A Blast From The Past...

Portland, Oregon, September 4, 1923.

To the Officers and Members of *J. William Lane #18 - O.O.F.*

Above is a photo of the Star Lodge, No. 219, I. O. O. F., Police Drill Team, and every one a member of the Portland Police Department and an Odd Fellow through and through, always boosting for the good of the Order.

This team was organized in 1920 and attended the Grand Lodge sessions at Albany in 1921, Eugene in 1922, and at North Bend last May, and each year have had the honor of winning first prize for their display drills. It is now their ambition to organize a first degree team consisting of thirty members and attend the Sovereign Grand Lodge in 1924, which will probably either be in Washington, D. C., or Jacksonville, Florida, and enter in the competitive degree work; and also help boost for the Sovereign Grand Lodge to come to Portland in 1925, as the representatives were instructed to do this at North Bend at the last Grand Lodge session.

In organizing a team and undertaking such a trip as this means lots of hard work, time and expense, yet these brothers are determined that they are going and will, if they are given the kind co-operation of the Odd Fellows, Rebekahs and friends. It will mean much publicity for the State of Oregon and Odd Fellowship in general.

To help defray the expense, the team has rented the new auditorium in the new Portland I. O. O. F. Temple and will give the opening dance Saturday evening, October 13, 1923; and the team has instructed me to mail you only FIVE tickets (total amount of \$2.50), and trust that you will give us your support by disposing of same and may we have the pleasure of seeing you there in person.

Thanking you in advance, we remain,

Fraternally yours, in F. L. and T.,
