Grand Master *Ron Kunze*

Brothers and Sisters,

As we move into the month of August I hope all are staying cool. Please be safe in your travels and talk to the people you meet about Odd Fellowship. Let them know of our past and what we do at present. I talk about this subject everywhere I go and people get interested and then they may ask you how they can be a part of such a Great Order.

I need to back up a bit and go to June and say Thank you to all of the members who took time out of their Sunday to attend my reception. We had a great turn out and lots of good food. A personal Thank You to Joan Compton for playing my favorite song "What a Wonderful World" by Louis Armstrong. Thank you all who presented me with cards and gifts. I am so touched by all of you and your kindness. With your help we are building the youth groups to be financially strong.

Our delegation to Washington Grand Lodge sessions turned out great. Attending was myself, Deputy Grand Master Sheryl Rohde, Grand Warden Jody Morris, PGM David Morris and Grand Secretary Patty Fries, along with Grand Marshal Lloyd Fries, PGM Nick Trevino and Jeanette Jarosz. Myself, Grand Secretary Patty Fries and Grand Marshal Lloyd Fries arrived two days early for the opening of the Theta Rho Sessions And I must say these girls know how to get things done. I was so impressed with their speeches and how they all conduct themselves. I learned what they call me and I broke down laughing as I am referred to as the "The new guy" on the block. As they grow up they do see a new Grand Master every year so I'm happy to be called the new guy. I also attended their Installation Ceremony and was fascinated with the number of offices of the Theta Rho. I was impressed with the new President as she gave a speech pertaining to wounded Veterans. I was teary eyed as she played a video about a Project formed in Texas training dogs to assist Veterans who have lost limbs and cannot function a normal life. These young ladies and girls are the next generation of our Fraternity and watching them grow up has been the exciting part. We must support the youth groups so they can grow for they are our future.

The Washington Sessions then started and I was impressed with them and was glad to be able to attend and

see for myself how they run their Grand Lodge. We do things a little different but the end goal is accomplished. I was touched with Grand Master Ron Hanson as he had many issues during his year and when confronted with them he did not back down but stepped up to make that difference. As Grand Masters we must not forget how we got where we are but also must not forget the Obligation we took as we became Grand Master and that is what I intend to uphold. Thank you Grand Master Ron for allowing me to speak during your session. I was so glad to win the 50/50 drawing and contribute it to your project ("Camp Patriot"). Not a day should go by without us thanking God first and then our Armed forces and Law Enforcement persons for our freedom. These are the brave men and women who have my deepest thanks and respect. Without them our Liberties would not be.

I then had the honor of attending the UN send off dinner at the Holgate Center. Let us not forget that 46 years ago in June the first delegation of young adults arrived in New York for this very same special trip and the goal still remains the same as I quote "The goal was to create a vision of hope for a better World". And in knowing some of the Members who went on this trip many years ago I can say it has changed them in many ways. They learn how delegations from around the world work together for the betterment of all mankind. United we can and will Stand but divided we will surely fall. The dinner was awesome and I would like to thank September and the dinner staff guided by Eric for making the event what it has become. Myself and the rest of us are truly blessed to be a part of this.

The Lodges I have visited so far are in great shape and I must thank the members for their hard work in staying so. My next visit was to Coquille Lodge No. 53 and there I toured the building and I must say it is well organized as all rooms were very clean and presentable. We had a wonderful meeting and afterwards a very good lunch along with lots of pies from the bakery that rents from them. One thing I remember was a vase of my favorite flowers (Dogwood) brought to the Lodge by the Secretary Kathy Creason. Thank You Kathy for thinking of me and my flower. Thank You Coquille Lodge.

My next Visit was to Heceta Lodge No. 111 and we had a great meeting and I had the Honor and Privilege of presenting Odd Fellow Ron Farmer with the Meritorious "Let's make the Difference" Medallion as requested by Sovereign Grand Lodge. *Continued on Page Fifteen.....*

Assembly President Shirley Mathews

Sisters and Brothers,

This message is coming from the backseat of my Lexus, anyway that is what it seems like and my travels haven't even started, but I have already been doing a lot of traveling for our Order.

Patty Fries, Grand Secretary, my hubby who is the Adjutant of the Pacific North West Department Council, and I traveled to Idaho City for the Idaho Odd Fellows 150th Anniversary. They put on a great parade with Sovereign Grand Master Bob Smith and his wife, Janet, as Grand Marshals and they led the parade in a horse drawn carriage. A marvelous prime rib and salmon dinner was served...we loved it. Their cook may transfer to Oregon with my blessings. People came from all over the Northwest to help in the celebration. I even sold some of my pins. The 105 degree weather made the free bottles of water a welcome site. I love going to Idaho, I was born in Lewiston, Idaho...just a few years ago...ha ha.

I traveled to Jesse Jones Park for the July 4th camp-out along with Grand Master Ron Kunze, Deputy Grand Master Sheryl Rohde, Grand Secretary Patty Fries, Grand Conductor Mike Guerreiro, Grand Marshal Lloyd Fries, Vice President Patti Winklebleck, Grand Conductor Eugene Voyton and my hubby Dan. We did a lot of work cooking and cleaning but we had a great time. There was great turn out for the breakfasts; we cleared over \$800 for the park...Yeah! The people that come to the park to camp are such great people. We used over 55 dozen eggs and ran out. Mike Guerreiro and Cindy Smith came to our rescue and donated some additional eggs. A great big THANK YOU for helping at a time of great distress!

Just another reminder about the blue tops, if you would like one, or more, please let me know. The cost of each top is \$35.00 for those on hand. I need to have them sold or returned by January 1. The price will go up on any that I re-order.

I will start Visitations in September and I am so looking forward to visiting everyone. **If any Lodge or Area has not received a Visitation request letter from me concerning Visitations, please let me know, ASAP!**

A thought to remember...Life is not tied with a bow, but it is STILL a GIFT.

In Friendship, Love and Truth

Shirley

Grand Patriarch *Allan Jackson*

Greetings Patriarchs,

I want to thank everyone who attended the reception for myself and Lady Susan, and for all the gifts and cards. Thank you to Albany Lodge No. 4, Beulah Rebekah No. 35, Willamette No. 2 and Canton Capitol No. 11 Ladies Auxiliary Patriarchs Militant. A very special thank you to Master of Ceremonies, Robert Lynn PGM, Mistress of Ceremonies Sharon Magden PP IARA, Escorts Bill Hawes Grand Marshal, Joyce Lynn PG Matriarch, Diane Hawes Musician, Robert Wilderson PGP, Robert Worthington Grand High Priest, Jack Pickett Grand Junior Warden, Lisa Corda Grand Color Bearer and all of the members of all the Units that worked on the lodge and kitchen.

I enjoyed attending the All Degree Day at Springfield No. 70. We now have eleven members that can be Encampment members (Just Ask). Thank you Past Grand Master Nick Trevino for giving me a bus ride, very enjoyable. I also want to thank Springfield Lodge for the opportunity to take part in the degrees. Remember Patriarchs, we cannot ask them to join unless they are third degree members. So we all need to help each lodge so that our Encampments can grow.

I had a very enjoyable day last month at Rocky Point Resort and I want to invite all members to take the time to visit this most beautiful part of Klamath County (I am from Klamath Falls). If you have time stay a day or two and eat the good food at the restaurant.

It is still "Time to Ask" someone to join our Order so that all of us can increase in membership. Thank you all for doing so.

In Faith, Hope and Charity,
Allan Jackson, Grand Patriarch

Lebanon Odd Fellow Lodge No. 47 and Pearl Rebekah Lodge No. 47 Revive an Old Tradition

Many years ago we held pancake breakfasts and they were very successful. We decided to revive that tradition on June 7th, the Saturday of the Strawberry Festival. Many members new and old alike, along with the help of family members started serving at 7:00 am. We served pancakes, scrambled eggs and sausage. We learned many things from our first breakfast and hope to make it a successful tradition again.

Aloha Doings

Estella Virgin, Grand Master Nick Trevino,
Liz Adams and Denice Meeuwsen

Aloha Rebekah Lodge No. 253 delivered another batch of teddy bears to the Washington County Sheriff's Dept. for the Buddy Bear program. Members donate to the Teddy Bear fund during coin drill each meeting and bears are purchased. Our monthly donations for the summer went to the KEX Kids Fund for hearing aids and eye glasses, clothing for Sleep Country's Foster Kids program and Albertina Kerr for helping kids with developmental problems.

Liz Adams, Denice Meeuwsen and Estella Virgin attended the Rebekah Assembly sessions in Canyonville.

Pictured Estella Virgin received the Meritorious Service Award at the banquet. That was one well-kept secret.

Joan Patterson February 1, 1931-June 21, 2014 Arizona Rebekah Assembly President 1992-1993

Joan Carol "Joanie" Patterson, 83, of Grants Pass died June 21st at Three Rivers Medical Center after a long battle with lung disease. A graveside service was held at Eagle Point National Cemetery. Joan was born February 1, 1931, in Chicago to Henry and Rose Linder. After graduating from Lakeview High School in Chicago in 1948, she worked as a keypunch operator at two major companies. At the second company, Caterpillar Corp. in Joliet, Ill., she became skilled in wiring panels for the IBM punched card machines. On January 29, 1954, she married George Patterson, who survives. In May 1954 they moved to Tucson, Arizona, for her husband's work and they raised their family there. When two of her sons were in middle school and one in high school, she went to work as a clerk-secretary for a lawyer. During that time, she began taking legal classes at the University of Arizona. Soon thereafter, she was hired by the Pima County Court Administration Office in Tucson. Two years later, she was hired as a legal secretary for two lawyers in a legal firm. She served as Arizona Rebekah Assembly President 1992-1993. In 1997 after her husband's retirement they settled in Grants Pass. Joan was a member of Etna Rebekah Lodge No. 49 in Grants Pass.

Oregon & Washington UN Delegates

UNEP Tour a Success

The 23 Oregon delegates returned from the tour on July 10, 2014 and they had a very successful time. For 13 days they toured the East Coast and saw a lot of great things. They also made many friends as they went. They traveled with a bus of about 50 delegates from Denmark, Iowa, Finland, Tennessee, West Virginia, Washington and Oregon. While they were in New York City, there were a total of 150 delegates there. In New York City, every delegate is required to give a speech and then the top 6 speakers give their speeches in front of everyone and the top two speakers are given scholarships. Amber Harvey from Clackamas High School took first place and a \$1,000 scholarship. Shawn Lee (also from Clackamas!) placed second and won a \$500 scholarship. Renee Kuzmenko (also from Clackamas!) and Rachel Bennion from Medford were also in the final six. Four of this year's six speech finalists were from Oregon! Oregon has now won 5 of the 6 scholarships given in the last 3 years.

While the speeches and the scholarships are impressive, what interests me more is how every delegate got along. The two words I have heard repeated many times are "Amazing!" and "Awesome!" The kids have told me that they had a wonderful trip and enjoyed seeing parts of America they may never see again. They visited historical sites and enjoyed the beauty that is America. They have told me of their friendships that they have had and they have told me of the heartache they felt as they had to say goodbye to their new best friends when it was time to come home.

I hope all of them contact the lodges who sent them and thank you. They and their families have thanked me many times. However, I do know that things get in the way and their lives get busy. Sometimes they are invited to speak at a lodge, but getting out in the evening is difficult for them. Sometimes we forget they are only 16 and 17 and many don't drive yet. I hope they thank you directly, but if they don't... please understand that they do very much appreciate the gift you have given them. Also... I want to thank all of the lodges and individuals who have supported the UNEP this year. Our Send-Off Dinner on June 27th was once again furnished by the Holgate Center and they have done such a wonderful job

of this. During the dinner, Mt. Scott/Star No. 188 announced that it was making a pledge to match any donations made that night up to \$1,000. \$1,063 was raised within an hour at the dinner from members and families of the delegates. Then... Mt. Scott/Star No. 188 announced that they had also pledged another \$1,000. This was amazing and a total surprise for me. If you or your lodge would like to help us keep the UNEP fees down for the 2015 tour, make a *Donations of Support*, payable to The Grand Lodge of Oregon with "UNEP Match" in the memo line so these may be properly accounted. This would be greatly appreciated!!!

I have already had contact from a couple of students who are interested in the 2015 year and our state committee is getting geared up for that. If your lodge sent a delegate this year, I will continue sending information to the contact person. If your lodge did not participate this year, but want to for 2015, please have a member contact me by the middle of September. I really need to have a contact with email access, since I tend to send out a lot of material. We don't know the exact deadlines or costs for the 2015 tour, so please contact me so I can get the info to you. The essay topic this year is **"Of the places and landmarks that the UNEP tour will visit, which one are you most excited to see? Explain why."** Interested students need to write a 500 word minimum essay on this topic. Most areas or lodges who send students require the students to also give a speech or do something like an interview. More information about the 2014 tour and the 2015 competition can be found at our website at: <http://oregonunp.tripod.com/>

Summer at Jesse T. Jones Campground

Hello to all,

We are having a busy summer. Fourth of July was a blast. Thank you all for coming down to breakfast and helping with the fundraiser. The parade was great and I can't resist sharing a few pictures. Taco night and the band were both a success according to member comments. At our lodge meeting our own RON FARMER was presented the Meritorious "Let's Make a Difference" Medallion by Grand Master Ron Kunze. It was

wonderful to see him recognized for all that he does for others all the time.

We had an All Degree Day Saturday July 19th and Heceta served a light breakfast and lunch to those who took the degrees and those who helped out.

Please remember to call 72 hours BEFORE your check in date to make changes or to cancel. It really slows down the check in process to make changes when you arrive. If there is a last minute problem still call. Our weekends are busy and I hate to turn away members because the park is booked and then campers do a no-call-no-show. If you do not show up for your reservation and do not call it is in the guideline book that you may not be able to make reservations for a year. If you are running late and will not make it till the next day just call and we will adjust the reservation for you.

We are looking forward to the rest of the summer but please remember that the outside world is not like the Odd Fellows, and we are surrounded by woods. We have had some items stolen so please lock up your gas at night. We are looking forward to Labor Day and will be emailing a schedule of events to all that we have an address for.

It has been a really nice summer and the members have been very respectful of the park and each other. I want to say thank you to all. We have many new families and with the addition of the new sites and the new families we see a lot of small campers. Be aware at all times as they dart in and out and are everywhere.

Pictured below on the left with Grand Master Ron are the winners of the parade. 1st Place Jacob and Annie, 2nd Place Anthony, 3rd Place Brooke and 4th Place Taylor.

This may make us have to slow down but it is great that they feel safe enough to run around the park and have a great time. This is what being a park for the Odd Fellow and Rebekah families is all about. Again if you can slip away for even a day or two we would love to see you come down and visit. I miss getting up in the park and visiting with you and hopefully we will have another park host soon so I can free up some more time to be up there. If you have ideas or suggestions please stop by and talk, I am open to comments and want the park to be enjoyed by all. See you soon!

Mary and Park Staff

Continued from Page 2, Grand Master: It was heart-warming for myself as Grand Master to present such a honorable recognition to Ron. He is a true Odd Fellow and goes out of his way to assist when needed with anything you ask him to do. Thank You Ron Farmer. This Lodge is growing and we have Lisa and Gordon Corda to thank for building them up in membership and assisting them in the degrees.

We had a great turn out for the Grand Master and Rebekah Assembly President's fundraiser for the Jesse T. Jones Park. Many pancakes and eggs were cooked and served. Thank you Sheryl Rohde, Shirley & Dan Mathews and Patty & Lloyd Fries for assisting in this endeavor. I think we pulled in 600.00 for park repairs. Thank you to all who came and supported this fundraising.

It is with sadness I report to you all that Baker City Lodge No. 25 is packed and ready for moving. As most of you know the Charter was surrendered to me during the first part of June. Myself, Lloyd & Patty Fries, Gary & Bette Hahn traveled there and began this task and it took several days to finish. We are now waiting for a moving crew and will go back and finish moving the items to our Grand Lodge Office. The Lodge building is being appraised and is soon going to be put up for sale. In saying this I would like all Lodges to take a look at yourselves and more especially your membership and ask yourselves one question, **Where will we be in 5 years if we do not get a handle on membership?** This problem needs to be addressed by all of us. I don't have all the answers to tell you what to do but I do see a strong need to plan for our future. Please don't wait until you are down to a few members, consolidate if you need in order to survive. One Lodge existing is better than two Lodges gone. Our state wide degree team is willing and ready to come to your location and confer the four degrees. All we need is for you to get the new candidates and we will come. Remember we reflect our tomorrow by what we do today. If we do nothing we get nothing in return. I remember my initiation many moons ago at Peninsula Lodge No. 128 and one important memory I have was told to me and the rest of the new members by PGM Clause Scheer. He said our membership is like a bank, and the more we put into this bank the more we will get back later in the future. When we apply this to Odd Fellowship we the members are the bank and if we contribute by depositing our time in Lodge and Lodge activities then you

will see a growth and you will prosper. This is why I have asked all Lodges for a one on one individual meeting as opposed to a joint meeting. This way I can see where you can improve and also see if you need help. If the date I have asked for is not good then I only have to wonder why and then ask myself what can I do to help? Sure some of you travel in the summer but some are telling me there are not enough members for a quorum. You are the Lodges we need to help. You get those new candidates and we will come.

The next time I write will be when school starts up, so please enjoy the rest of summer and remember your hand should all ways be open and ready to help a Brother or Sister. If I can assist you please let me know and I will do my best to help. Thank You and God speed to All.
