Grand Master *E. V. Smith*

As usual I have been procrastinating about writing this article for the OPOF, well what have I been up to that stops me from writing this article? Could it be all the snow that we received the last week of February or the back and forth to the Valley or to Portland to Holgate Center for business, or for meetings or maybe going to the Hospital or to the doctor's office with my daughter to deal with her cancer again, for the third time. You know it's hard to watch somebody that is young having to deal with cancer. Luckily, she has a positive attitude about life. Then there are my own doctor visits, and it seem to me that when we, I mean those of us who are old enough for Medicare, have to fill out so many forms with a lot of dumb questions. I think the government wants to see if we can remember what we said the last time we filled out the forms. Just today I was informed that when I turn 70 that I should have another, you guessed it, colonoscopy that will be my Birthday gift from my doctor next year. By the time this article comes out I should be finished with my visits to the lodges. I know there are a few that I did not visit. I apologize, it seems like an easy thing to do but I just ran out of time. Here is what is coming up for me and the whole Order of Odd Fellows. We have North West in Nampa, Idaho at the end of March, then it's the Grand Master & President's charity fund raiser on April 6th at 1pm, Samaritan Hall in Milwaukie and then working on business for Grand Lodge sessions. Just before that I and other members from Oregon will be making the Pilgrimage to the Tomb of the Unknowns in Arlington, Virginia, May 3-5. I do hope to see all of you that can attend Seaside for our Grand Lodge sessions on May 14-17.

Quote from Mad magazine's Alfred E. Neuman:

"Who said nothing is impossible?

Good times + Crazy Friends = Amazing Memories

Only one more article to go and then we're done. It's gone by so fast I can't figure out where it went. I spent the last week in S. Oregon visiting Etna No. 49, Ruth No.4 and last but not least my Theta Rho Girls..Eta No. 94.

I was expecting almost anything from them and they delivered. Luckily Leon was involved too. The visits were wonderful and I have to say this year there has never been one time that any meeting has been without enjoyment, friendship and most of all plenty of Love to go around. Our Oregon Rebekahs are amazing!!

I popped up at the "Hotel Houle" a day earlier than they expected me to. I thought I mentioned it, but apparently not. Oh well, it's my last trip and I have always felt more than welcome and a part of this family. The 3 dogs are "almost" the best part. But friends like Mary and Leon are few and far between. I just don't know what I'd do without them.

The 132nd Sessions are coming up fast. I hope to get a letter to all the lodges by the first of April. It will contain information on what is going on for sessions so read it in open lodge to remind members of what is happening at Assembly in Seaside.

Raffle Prizes.....I need plenty of prizes for the Raffle. There is not going to be a Silent Auction this year. Use your imagination and it doesn't necessarily have to be high priced, but I'm one for useful and fun gifts. I'd say a \$25 limit is good. A theme basket would be great. Ideas such as, Gardening, Reading, Movies, Blankets, Wine or Candy Baskets. Whatever you choose.

The Grand Master and President's Fundraiser is coming soon. It will be at Samaritan Lodge Hall on Saturday, April 6th from 1:00 to 5:00 pm. Donation is \$15. Please read the letter Chairman Shirley Mathews sent to all of you. Any questions, you can call me. If I don't answer, leave a message. I'll get back to you.

There has been an item of interest that has popped up due to confusion or just plain "not thinking it's

important". When the lodges are asked to appoint a Lodge Deputy. It seems a bit much but, in the case of illness, or if anything else happens our lodges need to be covered in the event of an emergency. You need someone to do installation and most of all to qualify candidates for offices if your DDP is unable to attend. So please make sure your lodge appoints someone as Lodge Deputy to do this job. If it wasn't important, we wouldn't request it.

I'm late with the article this month so of course I'm probably forgetting some things. But the one thing I won't forget is the amazing assistant GL Secretary Ron has in the GL office. Melinda is vital to keeping the office running. She's a "Superwoman" in my book. Thanks for all you do Melinda!!!

Remember your fellow sisters and brothers in all you do. Visits and a great treat once in awhile is something to remember....Thank you to all who have hosted and made my visits so much fun! Stay healthy and remember to be Grateful for all we have.

In Friendship, Love and Truth,
Denice Meeuwsen

Mary Houle'

Happy April to everyone,

April is Living Legacy Month, so get out in the sunshine and plant a tree or shrub for those who follow after us. While you are out there planting remember to have fun just playing in the dirt. I promise it really is fun.

Next month we are having sessions in Seaside on May 14-17. I look forward to seeing all of you. We are going to have a great time visiting with Brothers and Sisters as well as getting a bunch of work done. Send in those registrations and pack your bags; good times will be had by all who attend.

The following positions will be elected this year at Sessions:

President, Vice President, Warden and Treasurer

Holgate Board—a four year position

Jessie T. Jones Park Board -- a 3 year position,

Friendship Board—a 3 year position

Trustee – a 3 year position

The Secretary is not up for election this year.

If anyone is interested in running for any of these positions please feel free to contact the Assembly office for information about the obligations and responsibilities of the office in which you are interested. It is extremely important that you understand the responsibilities of any office you are considering.

I am sending a big thank you to all of the lodges who have sent in the Delegate and Alternate slips as well as the District Deputy President recommendations. It is so helpful to have this information available for planning sessions.

District Deputies please remember to send in your State of the Order Reports. We need the State of the Order reports as soon as possible so that the State of the Order Committee can get their report completed. Also don't forget your installation reports, we need those too.

Fraternally,

Mary Houle', Secretary

Rebekah Assembly of Oregon

Grand Patriarch *Lisa Corda*

April 1 to May 14—only 44 days until our 2019 Grand Encampment session in Seaside. That gives us 44 days to collect even more new and slightly used socks for our sock hop. Be sure to ask Odd Fellow, Rebekah and Canton members in your area to help the homeless where you live. You could even ask your neighbors and relatives to donate. Also, please get those raffle tickets sold for a surprise prize! Hopefully, future Grand Patriarchs will sponsor a statewide Encampment event to show that we care about our communities.

Did you know that the fourth week in April is National Administrative Assistant Week? We are so fortunate to have Melinda as our admin assistant in the Grand Lodge office. She is helpful, kind, dedicated, adaptable and willing to take the extra step. Thank you for all that you do for us all year around!

Remember that all are invited to the Grand Patriarch's no-host luncheon on Tuesday, May 14. Be sure to check that you will attend on your registration form. It is a great opportunity for all of us to share good food and fellowship before the Grand Opening Tuesday evening.

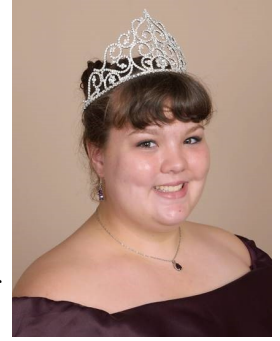

Until next time,

Lisa Corda,
Grand Patriarch

Theta Rho President *Bethany Struthers*

Hello everybody!

I hope you have all been well, and faired okay with the recent weather. I had my first visit to Eta this last month, and am working out the details with rescheduling with Spunky Bluebirds No. 93. It felt kind of odd to be officially visiting my own club, but we had a lot of fun. I would like to thank all the girls and advisors who were able to attend and make this such a wonderful visit.

I started a new sport this season, and it is the end of a trimester for our school, so we will be starting the last three months of school before summer break. We just found out that we will be going until the 18th of June instead of the 14th because of the snow and the week we had off because of the weather.

In Happiness Through Service,
Bethany Struthers
President of the Theta Rho Assembly of Washington

Lorane Rebekah Lodge No. 252

At our February 18th meeting Rebekah Assembly President Denice Meeuwsen made her official visit. Preceding the meeting a potluck dinner was served. President Denice gave her presentation and we enjoyed it very much. Our presentation to her was, we all sang "You Are My Sunshine", while she video taped us singing our hearts out. It was a fun meeting and several of our sisters gave her the unwritten work. We donated to her personal projects and gave gifts of postage stamps, cards, and the proceeds of our sunshine fund for that meeting.

We will have installation of new officers at our April 1st meeting, it will be a social meeting with friends and family invited to attend.

We are planning an Easter Bake Sale to be held on April 8th, while the seniors are having their weekly senior dinner.

News From the Host Committee

Have you registered for Grand Lodge or Assembly yet? Notice anything different about the form? There was more than one correction, the date was off by one day, the end date listed was incorrect but was corrected to May 17th in this issue, also the banquet cost of \$45.00 was incorrect, the price should have been printed as \$50.00. The Host Committee and the Grand Patriarch decided to try something new this year. The luncheon on Tuesday has been changed to be more inclusive. If you are planning to arrive in Seaside before noon on Tuesday, we welcome you to register and attend Tuesday's lunch. This will be a new and rare opportunity for good food and fellowship before our other meetings get underway. The Military Branch and the Grand Encampment will introduce their current Officers and Grand Patriarch, Lisa may be announcing the winner of the sock hop competition. But for many of us, this will be a great opportunity for friends to gather and break bread before the work of our sessions take up most of our time. We also encourage all to participate in every opportunity for meals, including but not limited to the banquet, that are just one aspect of the Grand Lodge and Assembly experience. Not only does this give you the chance for fellowship but also the exchange of ideas and friendship from members not only from Oregon but also members from other jurisdictions. Another reason we need you to participate in every aspect of this gathering of Odd Fellows and Rebekahs is that the more people we have participating, the less chance we have of being charged higher rates because of low numbers of members participating. Your Host Committee has been busy, not only planning and working on the 2019 sessions, but also on future sessions striving to make some changes that were requested in the past. In Seaside this year, you will learn about all we have accomplished and the new and exciting plans for our future. Please remember that the late registration date is May 1, 2019. All registrations not post marked prior to this date will be charged an extra \$5.00. Also, please keep in mind that anyone arriving at sessions without pre-registering may not be able to purchase meals when they register. We are required to provide the number of meals to be served to the caterer and they may not be able to accommodate additional meals. We hope everyone will be pleased and excited about the new plans for our future sessions. Register now to attend the Grand Lodge and Assembly sessions.

News From the Holgate Center

As some of you may know, the Holgate Board of Directors are hard at work restructuring the Holgate Center. Due to unforeseen events that took place over the last several years, the Center has required many changes needing to take place immediately. As Chairman of the Holgate Board of Directors I intend to stay on top of every aspect of the operations of the Center in order to keep our members informed at all times. Your Holgate Board of Directors has spent countless hours and days making decisions that will affect the future of the Center.

I want to take a moment and thank each and every one of the Board for all of the time they have spent on the phone, on the emails and driving to Portland for the extra meetings. Currently we have decided as a board to meet once a month as opposed to every other month in order to stay on top of the issues involving the Center.

I want to take a moment to thank John Lauka, our Holgate Center Chief Financial Officer. The board hired John back in August of 2018 to look into the financials of the Center. Once he identified the issues at hand the board moved immediately to resolve them. Thank you John for being there for us and thank you for the 3 months you and I practically lived at the Center to make sure our outcome would be positive. We could not have done it without you.

I am pleased to say that our new Executive Director, Dane Jensen has been on board for over a month. With his feet now wet, I must say that he has done a great job of running our Center. The employees of Holgate Center really like working with Dane. He has shown to the employees of the Center and the Board of Directors that with his positive leadership we can and will move onward into the future. Thank you Dane for your leadership skills and making Holgate Center a better place.

In F L & T,
Ronald L Kunze, Grand Secretary
Grand Lodge of Oregon, I.O.O.F.

Pilgrimage For Youth Committee

We encourage all Odd Fellow and Rebekah Lodges to start the push in your work to raise funds to support this very worthwhile program. If your Lodge is small, you can join with another Lodge or Lodges in your area to send a delegate on this life changing experience. If that doesn't work for you, maybe you could support the program with funds to help pay some of the costs of the program. We need to purchase insurance, provide background checks, pay baggage fees and many other small expenses of running the program. You can make a difference in a students life.

A Blast From the Past...

“We” vs. “They”

How often we hear the members using the pronoun “they” in speaking of their lodge, as though they were not a part of the lodge. This is especially true if the lodge is not doing very well. These are common expressions:

“Oh, I don’t attend very often for their meetings are not interesting.”

“Their meetings are dull.”

“They never have any program or entertainment.”

“All they do is argue over nothing.”

“All they do is play cards.”

“They never do anything.”

“They never have degree work.”

“They haven’t brought in a single application for years.”

“They have no suggestions or ideas for improving the situation.”

“They are a dead bunch.”

We teach the principle of “truth” in our work. Why not tell the truth and use the pronoun “we” in each of the above statements? If your lodge is not doing well, try this substitution and see how it sounds, and then do something about it.
