### Community Connection Project

One of the Community Connection Projects that the Hillsboro Rebekah Lodge does is collect school supplies that are donated to the Hillsboro School District. This year the supplies amounted to a value of over \$100.00.

*Pictured below: Rebekah Noble Grand LaLani Radford*

*Pictured above: Lorraine Potter with "Splash" at Umpqua Discovery Center, Reedsport, OR*

Talented Florence Artists painted and decorated beautiful ceramic seals and placed them throughout the area, including one at the Umpqua Discovery Center in Reedsport, to promote a welcome to visitors. "Splash" became so popular an effort was begun to keep him locally.

Gardiner No. 132 and Three Rivers Rebekah Lodge No. 240 generously donated to the project and "Splash" will continue to welcome visitors to our community.

# Grand Master *Jody Morris*

It was a real honor to have the top leaders of Oddfellowship attend our Fall, 2016 Northwest Odd Fellow and Rebekah meeting. Sovereign Grand Master Larry Ferguson, Sovereign Secretary Terry Barrett, International Association of Rebekah Assembly President Joyce Lynk and President of the International Association Ladies Auxiliaries Patriarch Militant Tracy Boyer came to the Rose City to honor our own General Commanding Dan Mathews at his testimonial. Kudos go to the organizing committee headed by Patty Fries. The bus tour to Multnomah Falls was impressive, barbecue extraordinaire Ron Kunze outdid himself as grill master, the sessions were very informative and the hotel staff was most accommodating. The Royal Rosarians topped off the evening with their presentation to Dan. I was pleased to present the Grand Lodge's \$5,000 check to Dan to help with his expenses. Here's to safe travels and a great year, Dan and Shirley!

Also happening at Northwest was the presentation of the Decoration of Chivalry to Claus Scheer of Peninsula Lodge. Claus has been an Odd Fellow for 70 years and in all other units of our Order, including the Muscovites. Speaking of Muscovites, 40 more new members joined at Northwest. The Muscovites raise money for non-profits while having fun doing it! For more info, call David Scheer at 503-290-4747.

This fall has been a delightful whirlwind as my Grand Marshal Gordon Corda, Lisa and I have visited the majority of 46 Oregon lodges. We have an attitude of gratitude for members' heartfelt hospitality and kindness to us. I have found that members appreciate sharing their individual volunteer activities and lodge involvements to help others. I am proud of each and every one of you who volunteer. There are just a few lodges with able bodied members that currently are not. My wish is that they would.

During our visits, we often talked about getting new members. Out of curiosity, I offered \$5 to anyone who was carrying an application. Nobody had one. I challenge you to carry one and just ask someone who would make a good Odd Fellow. It's up to each and every one of you. Some lodges are thriving because the

long time members already have replaced themselves with younger members. Case in point is Willow Lodge in Heppner. Old and young work together to make their lodge successful!

As I close this column for December, please have a safe and joyous Christmas, Hanukah, Kwanza or any other religious holiday celebrated at this time of year in our United States. May peace be with you all.

Warm holiday wishes,  
Jody, Grand Master

## Golden Rule Welcomes New Members

Golden Rule Lodge No. 78 of Grants Pass initiated two new members at our regular meeting November 9. Pictured above with our Noble Grand Kathy Munyas are our two newest Initiatory members: Ben Kagay and Ed Cruz.

Ben is the son of Jeff and Jennifer Kagay who are both members. Ed owns Cruz Welding & Mfg. which is located near our cemetery and became interested in our lodge after some long talks with cemetery Sexton Lloyd Stiewig PGM.

Please join with us in welcoming these new members to our Odd Fellow family; we are looking forward to working with them to help us build a better community.

Happy Holidays to all my Sisters and Brothers!

This is such a busy time for everyone, with gifts to buy, parties to plan, visits from family and all the decorating most of us do. How can we find the time to get it all done? And now I am going to ask you to do even more. I know many of our

Rebekah Lodges reach out to their members who cannot attend lodge during the Holidays, but I would like to see every Lodge reach out to their home bound members. Some Lodges take small gifts of candy or flowers to their shut ins, some send cards and some take the time to visit their members. If you send cards, I would like to suggest you prepare the cards at a lodge meeting and take the time to send a personal note in the card, then have every member in attendance sign. That extra personal touch will make a difference to those members who cannot attend and keep them connected with their Rebekah Sisters and Brothers. If you are visiting, an inexpensive bud vase with a couple of flowers will really brighten the day of the recipient or a small container of lotion or a small box of candy will remind them that they are important to you. I had thought candy would not be a good gift but I was told by a member in a nursing home that she loves to get candy. She can only have a piece or two, but when she has visitors, she has something to offer them. I had never thought about the fact that as we age, we still want to be a good host even though we may not be able to shop or bake for our guests so a gift may allow them to feel like a good host to their guests. This is also the time we should be focusing on family and friends. My wish for all is that you are able to spend quality time with family and friends and keep the reason for the season in your hearts and minds. No matter your faith, may this season be joyous for you filled with friendship and love.

In FL&T,  
Joyce Clark, Rebekah Assembly President

Our Lodge is growing in membership. In the last two to three years we have taken in 16 new members and we are getting ready to ballot on another. Our new members are very active and have some good ideas.

We just did the kitchen at the craft fair in Philomath. I happened to be at Northwest during this time and I texted one of the veteran members to find out how things were going and this is what she had to say:

“Pretty good, our newer members are a God send. They work really well together. They are a great help, they have great ideas and made some really good changes.”

I think if all lodges took this to heart, we would have no problem keeping our newer members. They are coming up with great ideas for us to make money to be able to get a foundation for our lodge Hall. We are now trying to get a new heater for it as well.

From all of our veteran members we want to say welcome and thank you to our newer members and keep the ideas flowing.

# Grand Matriarch *Susan Jackson*

Greetings Matriarchs, Patriarchs, Brothers and Sisters,

The holidays are here and I am wondering where does time go? Christmas is my favorite time of the year.

I have had a couple of visitations and we had a great time. I want to thank you so very much for my gifts and the special time we have spent together Willamette LEA No. 2 and Coast Forks LEA No. 49. I also attended the Grand Patriarch's official visit to his own lodge Canyon Encampment No. 79. These meetings were well attended.

I was able to attend the fall meeting of the Pacific Northwest Odd Fellow/ Rebekah Association, which also included the testimonial honoring General Daniel E. Mathews. The association meeting was well attended and everyone had a great time.

## UNP CORRECTION

Last month I incorrectly stated that "Sovereign Grand Lodge" gave us a subsidy.

Only the Delegate Fees and Donations to United Nations Educational Pilgrimage for Youth, Inc. (a stand-alone 501(c)(3) corporation) provides the funds for this wonderful program, not your dues to Sovereign Grand Lodge. Furthermore, the United Nations Pilgrimage (UNP) program is administered by the UNEPY, Inc.

I apologize for this mistake and I am very happy to have the corrected information for you, with thanks to Charles Renninger.

## Mary Houle'

Seasons greetings to all my sisters and brothers,

I wish all of you the very best holiday season. Remember to take time to relax and enjoy this season of love with your family and friends. Keep in mind that we have brothers and sisters who may not have family close by and you could be the one to help them have a happier holiday season.

I was able to attend Northwest this last month with two of my granddaughters who are members of Eta Theta Rho. They had a wonderful time and I would like to thank all of the Oregon Rebekahs and Grand Lodge members who make the Theta Rho girls feel so welcome each time you see them. Congratulations to Gary Clark for organizing and planning an informative Northwest session.

Lodges should have received their annual report forms by now. If your lodge has not received their forms please let me know. Please give me a call if you have any questions or problems with completing your report. Remember that to be on the honor roll you need to have your report into my office by January 15<sup>th</sup>.

Once again happy holidays to each of you,

# Memorial Service for Samuel Eddy Joy

# Leone Rebekah Lodge Hosts the Evergreen Area Meeting

Harney Odd Fellow Lodge No.77 was given the honor of performing the memorial service for Samuel Eddy Joy, who was a civil war veteran and a member of our lodge.

Lois Taylor, who is a member of the Burns Cemetery Committee, has been very involved with finding veterans that do not have head stones in the Burns Cemetery. Samuel was buried in the I.O.O.F. cemetery back in 1896, but the records were burned and no marker was found. Lois found his obituary in the local newspaper and through hard work obtained a beautiful head stone for Samuel.

Harney Lodge No. 77 along with the Harney Post No. 63 Burns American Legion performed the memorial service on October 20. At the conclusion, the American Legion Post gave Samuel 3 volleys to honor him.

Samuel Eddie Joy was born Dec. 18, 1848 and died Aug. 07, 1896. Samuel went into the service at the age of 16 years and mustered out six months later.

A total of 26 attended the ceremony. Samuel's head stone is proudly resting once again in the Odd Fellow cemetery section.

The Evergreen Area Meeting hosted by Leone Rebekah Lodge was held in Lebanon on October 15th with 5 lodges participating. Rebekah Assembly President Joyce Clark, a number of her officers, committee members and past officers were introduced. A total of 30 people attended.

The day was filled with different instructions by the different lodges. It was a cold, rainy day, so after our lunch, President Joyce gave a brief informational talk so that we could close and everyone could get home before it got any worse outside.

The meeting was turned back to Leone Lodge for closing. A good time was had by all.

# Northwest Odd Fellow / Rebekah Association Meeting and Testimonial Weekend Honoring General Dan Mathews

SGM Larry Ferguson and PG Dale Bolen

Oregon hosted the Fall Northwest Odd Fellow/ Rebekah Association meeting and General Dan Mathew's Testimonial November 3rd-6th. Many Sovereign Grand Lodge Dignitaries and out of town guests attended. The weekend started Thursday afternoon with a trip for out-of-town visitors to Multnomah Falls. Thursday evening Oregon showed their hospitality by having a BBQ hosted by Portland Canton No. 1 and Hillsboro Canton No. 14 at Samaritan Lodge Hall in Milwaukie. Samaritan Lodge provided BBQ Ribs and BBQ chicken prepared by Oregon's own Grand Secretary Ron Kunze. Word is, it was a big hit. After Dinner Sovereign Grand Master Larry Ferguson, pictured above with Dale Bolen of Samaritan Lodge had KP duty. His help was much appreciated.

Friday the PNW Department Council and Department Association held their yearly meeting. That afternoon Claus Scheer received the Decoration of Chivalry. The Northwest Association Banquet and Grand Opening was held Friday night, then meetings followed Saturday and Sunday morning.

Friday after the banquet the Muscovites initiated 41 new members. They collected \$825.00 which they donated to the youth travel fund.

The Testimonial Honoring General Dan Mathews was held Saturday evening. It was opened by the Portland Royal Rosarians presenting official certificates to SGM Larry Ferguson, IARA President Joyce Link and IALAPM Lady Tracy Boyer welcoming them and

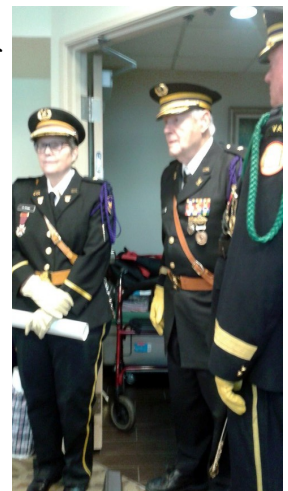

General Dan's out of state officers and guests to the city of Portland. After the opening everyone enjoyed a buffet dinner. The weekend concluded Sunday morning with a short meeting.

## Tillamook Lodge No. 94 Holds Annual "Pumpkin Patch"

The 10th annual Odd Fellows Pumpkin Patch entertained and informed School District 9 preschool through third grade students. The event has been successful and popular with the students, teachers, and adults leading the program.

The Pumpkin patch is an outdoor event held in early October at the Odd Fellows Lodge located on Gienger Rd. Classes rotate through eight stations that explore agriculture and the outdoors. Most of the stations include hands-on projects that keep the students engaged. The activities change from year to year depending on the skills and interests of the volunteers. One of the stations each year gives the students time to pick a pumpkin from the patch to take home.

Eleven years ago, Hayden Bush, now a local farmer and teacher, was an FFA member at Tillamook High School. He and classmate Kristen Kaste decided to take on the Farm Fest Program as a senior project. According to Brett Hurliman, the Tillamook IOOF wanted to find a use for their property on Gienger Road. The idea of a pumpkin patch and the Farm Fest program with the schools came together after Hurliman met with Max Sherman, Tillamook High School's agriculture teacher, and Ed Armstrong, a grant writer and Educator. Together, with Busch and Kaste, they created a format that was approved as a field trip for School District 9.

There have been many groups and individuals that have volunteered to operate stations. They include: Brooklyn Bush FFA, Karl Zweifel (corn maze), Gary Albright (Tillamook Museum), Garibaldi Coast Guard Station, Aubry Olson (OSP), David Helmricks (State Forestry). Tillamook County Rodesio Association, YMCA, 4H, School District 9, and Food Roots. Rex Trogden, an officer of the Tillamook Odd Fellows, said

that the Odd Fellows are always looking for new station ideas and contributions. Students have attended this event for four years. New ideas for stations are always needed.

## United Nations Pilgrimage

We Can Not Do This By Ourselves

Your Lodge CAN participate in the UNEP for Youth no matter what your size. The concept is simple. Join hands with other Lodges to make it happen.

The concept is to have a few Odd Fellow and/or Rebekah Lodges that join hands to finance one delegate to the United Nations Pilgrimage trip. You can simply divide the total cost of sending a single delegate by the number of lodges that are joining hands. This way the cost can be manageable by all the lodges.

For example, let us assume there are five lodges that are joining hands, which means the cost would be less than \$400 this year. In the spirit of Friendship, you select the order that the lodges involved select a delegate each year. Each year the participating lodge will have the pleasure and satisfaction of choosing a delegate from their own community. Each year, you repeat this process with a different lodge selecting a delegate from their own community. This way you demonstrate your Love for the Order, your Love for other lodges, and your Love for their members. You also show your Love for your community in turn. At the end of each cycle, you have each participated in this wonderful program fully. The Truth is that you can participate in this program no matter what your size. The Truth is that you demonstrate to your community the Friendship and Love you have for our great Order. And, the Truth is more students will experience this program that otherwise would not.

Change "We cannot do this by ourselves" to "We can do this by joining hands."

Richard Akins

# Time To Call...

## Morand Scholarships Available

This month we are bringing you an excerpt from a Morand Scholarship Recipient who wrote, "I can't possibly tell you how much your generosity means to me. This scholarship will put me one step closer to realizing my career dreams. Without this kind of financial support, I would be unable to complete my college education." We get notes like this every year and decided to share with our Brothers and Sisters the heartfelt thanks we receive from scholarship recipients.

Many students will be home for the holidays and that is the perfect time to contact the Grand Lodge Office and request the Morand Scholarship application and brochure so the student can get started on completing the form to apply for a scholarship. Both the application and the brochure can be e-mailed so you can have it immediately or it can be mailed to the student via U.S. mail.

Time goes by so fast, the deadline of January 31<sup>st</sup> 2017 will be here before we realize it. If you have a member who is currently enrolled in a college or trade school or if a family member of a lodge member is a college student, tell them about the Morand Scholarship program. Encourage them to contact the Grand Lodge office to request an application form. There are some updates on this year's form, so make sure the student gets one from the Grand Lodge Office. Any old application forms that a lodge may have should be destroyed. If your Lodge doesn't have one of the Morand Brochures, call the Grand Lodge office and request a supply so your members will have all the information about this wonderful scholarship program. Let's continue to make a difference in the lives of worthy students, it's not too early to get to work on the scholarship application. All the information you will need is in the application packet and the Morand Scholarship brochure.
