Thomas Wildey...The Fruition of His Dreams Lives On Today

The Founding Hand

By Myrtle Russell, President IARA

From the International Odd Fellow April 26, 1969

The first time I visited Baltimore, some of the members of the Rebekah Assembly of Maryland took me to what I term a sacred spot...to the monument of Thomas Wildey, Founder of our Order.

To me this was a highlight in the many years I have been a Rebekah.

On the shaft of the monument is this inscription:

"He who realizes that the true mission of a man on earth is to rise above the level of individual influence...and to recognize the fatherhood of God over all, and the brotherhood of man, is nature's true nobleman."

The story of the founding of our Order is well known to all versed in the principles of Friendship, Love and Truth. Through all those early days, Thomas Wildey was at the head of the Order, first as Noble Grand of Washington No. 1, *Continued on page 11...*

Grand Master Gary J. Kniss

Yo Mateys,

Our voyage has taken us into a New Year and all hopes are for continued progress with our Odd Fellow tasks. This time of year, we find society making resolutions and affirmations to be a better person.

Well Odd Fellow brothers and sisters, we are one step ahead of those trying to find ways to improve themselves. We have our principles of friendship, love and truth. If we practice at all times in lodge, outside in the community, at home and work, we will indeed have a positive impact on those around us. Speaking of those around us let's talk about the community. Our good deeds and programs are intended for the community and society. Lets make sure our lodge activities do reach out to the community. After all it is in the community that we will gain new members with their talents and energy. Meanwhile continue to keep practicing and passing the words of our "hidden treasures" – relieving the distressed, visiting the sick, burying the dead and educating the orphan.

These, brothers and sisters, will satisfy any resolutions we could make to be better Odd Fellows and citizens in society. Our best wishes to all in our New Year of 2018. **Check your secretaries article regarding important information on the non-discrimination policy.**

Living Legacy

As we move on through this term please keep our Living Legacy in mind. It is a Sovereign Grand Lodge program. I am requesting all Odd Fellow members from all branches to participate. We want a good showing from the Grand Lodge of Oregon.

All living things planted qualify. If you plant something in your yard or garden, please submit the number of living things planted. A ground cover, bulbs, starts, vegetables, shrubs and trees. Submit to your Lodge Vice Grand and they will submit to the Grand Lodge office where the Deputy Grand Master will submit the numbers to the Sovereign Grand Lodge. Together we can have a successful campaign on this project.

Happy New Year!

I pray this finds everyone doing well and rested from all the festivities. Now is the time to look ahead and plan on what you would like to accomplish this year. I no longer make New Year's resolutions, for me it is setting myself up for failure and disappointment in myself if I don't accomplish them. So now it is what I will strive to do and if I don't accomplish it there is no pressure I will just do my best.

One way to start the New Year is to celebrate the anniversary date of the birth of our founder Tomas Wildey. John A. Miller Sr., Sovereign Grand Master has proclaimed January 15th as Thomas Wildey Day throughout the world of Odd Fellowship.

Please don't forget to check on your members, neighbors, relatives. Just because the holidays are over doesn't mean they don't need anything, even if it is just someone to talk to. Be a blessing to someone and let them be a blessing to you.

By now every lodge should be working on their reports to send to the Assembly office. If not please do so ASAP. If you are having trouble please contact Mary Houle' Assembly Secretary and she will be happy to help you through it.

I am looking forward to the rest of my visits and seeing as many of you as I can. In the meantime keep fluttering together.

Happy New Year!!!

Christmas, New Years, I love that time of year! Now it's over and school's going again... only about 5 more months till summer and 11 more months till the next Christmas, but who's counting!

Last year went by so fast, but all the great memories and adventures will stay with me forever. I'll never forget any of them. Some of the sparks of the year was becoming President of Theta Rho Assembly, getting my driver's license, going to Hawaii and becoming a Rebekah!

In 2018 I'm looking forward to Theta Rho Assembly, becoming a Senior in high school, and traveling to Baltimore for Youth Days!

I hope everyone is doing well and beginning the year with a good spirit!

Happy New Year to each member of every Unit. I hope Christmas was joyful and everyone had a great time. We are starting the year, 2018 and this means a fresh start. I hope ALL of YOU had a Wonderful Holiday Season. I am looking forward to the new year with all of the opportunities and challenges that the new year will offer. My Brothers and Sisters this New Year let's work to-gather in Harmony to help those in need, because that's "The right thing to do."

Please remember January 15th is Thomas Wildey's Birthday. Remember Thomas Wildey instituted the first Lodge of Odd Fellows in America in 1819 in the City of Baltimore. In 1821 the first Grand Lodge was formed in Maryland. We definitely need to celebrate him.

To the New Year: Hugs

Here is a little hug for you
to make you smile when you feel blue.

To make you happy if you are sad
to let you know, life's not so bad.

Now I have given a hug to you
somehow I feel better too.

Hugs are better when you share.

So pass one on and show you care!

For the New Year... always pray to have eyes that see the best in people, a heart that forgives the worst, a mind that forgets the bad and a soul that never loses faith in God. Happy New Year Brothers and Sisters. I hope you all had a very Merry Christmas.

As we move into the new year I would like to mention to the Lodge secretaries to please remember to have your annual online report in by January 31st. I have a sovereign Grand Lodge report that's due shortly after that so if you could please have them completed by then I would greatly appreciate it.

I sent letters to all the Odd Fellow and Rebekah lodges throughout the state concerning the Odd Fellow and Rebekah Pilgrimage for Youth. The deadline to send these letters back to the Grand Lodge of Oregon is February 15, 2018. It states in the questionnaire letter that we are requesting a copy of your By-laws to also be sent back with the letters. Several lodges have sent only the questionnaire and did not include the By-laws. So please, if you have not sent your By-laws to the Grand Lodge do so by February 15, 2018. If you have any questions in this matter, please contact me, I'm available to assist you.

There have been several questions concerning whether or not you need to place the anti-discrimination policy in your By-laws. YOU DO NEED to include them in your By-laws. Place the antidiscrimination policy at the end of your By-laws as a section, or article in accordance to how your By-laws are written. You also need to have your Lodge approve the policy and then post it so that it can be read by anyone who comes into your Lodge Hall. This applies to all Units of the Order.

There are several lodges who have not paid their per capita dues. If you have not, please do so.

Also there have been several calls concerning the life membership distribution checks that were mailed to the Lodges the first week of December. The reason they are lower this year is because the life membership investment pool did not earn as much as it did in the past. When the investment markets are down that affects all of our combined investments.

We are doing an all Odd Fellows degree day in Stayton, Oregon on January 7th. If you have members that need their initiatory *Continued on page seven...*

From the Desk of the Assembly Secretary

Mary Houle'

Happy New Year,

The holidays are over and I hope each of you take a day or two to relax, rest, review last year's successes and resolve to make 2018 one of your best years ever.

As a new year begins I hope that each of you take a fresh look at Rebekah's and our Order. Remember the enthusiasm you had as a new member of our Order? Let's all strive for that enthusiasm in our lodges by trying something new this year. Think about what you can do that would help your lodge and the Oregon Rebekah Assembly.

The Grand Lodge Secretary has sent all Rebekah Lodges a letter asking for you to send him a copy of your By-laws and to fill out the form regarding the anti-discrimination policy. **There have been several questions concerning whether or not you need to place the anti-discrimination policy in your By-laws. YOU DO NEED to include them in your By-laws. Place the antidiscrimination policy at the end of your By-laws as a section, or article in accordance to how your By-laws are written. Please get both of these items to the Grand Lodge Office by the end of this month, Yes, January 2018, this will be a great help to me and the Grand Lodge Secretary. Remember that the new address to my office is: P. O. Box 11, Lorane, OR 97451. Both Ron and I appreciate your prompt attention to this matter.

Here are your January 2018 reminders: number 1--All lodges should have sent in their Per Capita Dues by now. If they are sent, in thank you so much and if not please get them paid. Reminder number 2--Annual reports are due by January 31st. Remember that the new address to my office is: P. O. Box 11, Lorane, OR 97451. If you want to be on the honor roll get them in by January 15th. Reminder number 3--If your lodge has not yet elected your 2018-2019 officers you need to get it done. Reminders done!

Once again I wish you all a wonderful 2018. Fraternally, Mary Houle', Secretary, Rebekah Assembly of Oregon

Evergreen Area Meeting

Saturday, December 2nd, members from the lodges in the Evergreen Area gathered in Salem for their Area meeting. Jackie Anderson, Chairman, led the group in a meaningful session with Schools of Instruction, entertainment, a delicious luncheon, and a message from President, Brenda Spence. As December is such a busy month, several lodges were already committed to activities in their own communities, but still a total of 28 turned out for the meeting. During the meeting several volunteered information about different activities of the Order, giving all the attendees new information about how some of our groups function for us. Pearl No. 47 gave a tribute to the Past Chairmen, Leone No. 84 a memorial, and Beulah No. 35 demonstrated Opening the Bible. Greta Underwood talked about the Eye Committee and Vickie Beaver shared information about scholarships that are available. The coin drill was voted to go to the President's Project. Next year Sheryl Phillips of Beulah No. 35 will be Chairman.

Community Connection

Heceta Odd Fellow Lodge No. 111

Community Connections is a joint committee of the Grand Lodge and Rebekah Assembly. According to Grand Lodge By-laws, all lodges must appoint three members to serve on your own lodge committee. The purpose for this committee is as the name suggests, work and make your lodge known in your community. Does your lodge have this committee?

Early in this century lodges were known in their towns, cities and neighborhoods. They were important parts of their neighbors' lives. They were used for gathering places of the community. They held weddings, baby christenings, town hall meetings, elections, and even funerals. Today many people in a community do not even know we exist.

Please talk about ways to connect with your community in your lodge. This could be done in the "Good of the Order" part of a lodge meeting. Discuss holding an event or thank your local fire department and police officers for taking care of your own community. The Red Cross welcomes assistance with blood drives, or help when a family is displaced after a fire. Do you know someone whose family breadwinner is without a job this holiday season? That's a tough place to be, especially with small children needing winter clothing. How can your lodge help?

Please send information on what your lodge is doing in your community to me. My email address is :
cnjscheer@yahoo.com or mailing address:
3406 NE Prescott Street, Portland, OR 97211.

Lorane Rebekah Lodge No. 252

Shamrock Lodge members were kept busy by assisting Columbia Lodge No. 3 in September by helping initiate Barbara George as a new member. There were several Assembly Officers in attendance, who also assisted where needed.

In October we celebrated our annual Halloween Party with fun games and treats for the winners. Pictured above: Edith Brown and Kathleen Swigart passing a balloon. Those pictured in costumes are Janice Straub, Inez Kennedy, Joyce Steiner and Cheryl Savage.

December we lost our brother Robert Long and draped our charter in loving memory. Several Shamrock members attended when Rebekah Assembly President Brenda made her official visit to Columbia No. 3 on December 3rd. The President spoke on some information regarding the "Instructions and Suggestions" for Rebekah Lodges. She is requesting that we read and use them as they are helpful. She also reported that the "Instructions and Suggestions" are being updated. A large showing of dignitaries, guests and members arrived to have a meal together and attend the Lodge meeting.

Cards are being sent to our shut-ins and those no longer able to attend meetings. Our last meeting in December will be a potluck lunch. We welcome all who wish to attend and join us for our meeting at 1:00 pm.

Janice Straub

After our first meeting in December the members enjoyed snacks and exchanged Christmas ornaments from the Christmas tree by drawing numbers for their choice of ornament. There were many different choices.

Our annual Christmas bake sale was held on a Monday while the senior lunches were held that day, giving them an opportunity to select homemade goodies. There were many choices of goodies to choose from.

I want to thank all the many people who have donated bottles and cans to our lodge to help with our building fund. It has been a big help and we appreciate your generosity immensely.

Have a happy and prosperous new year,

A Blast From The Past..

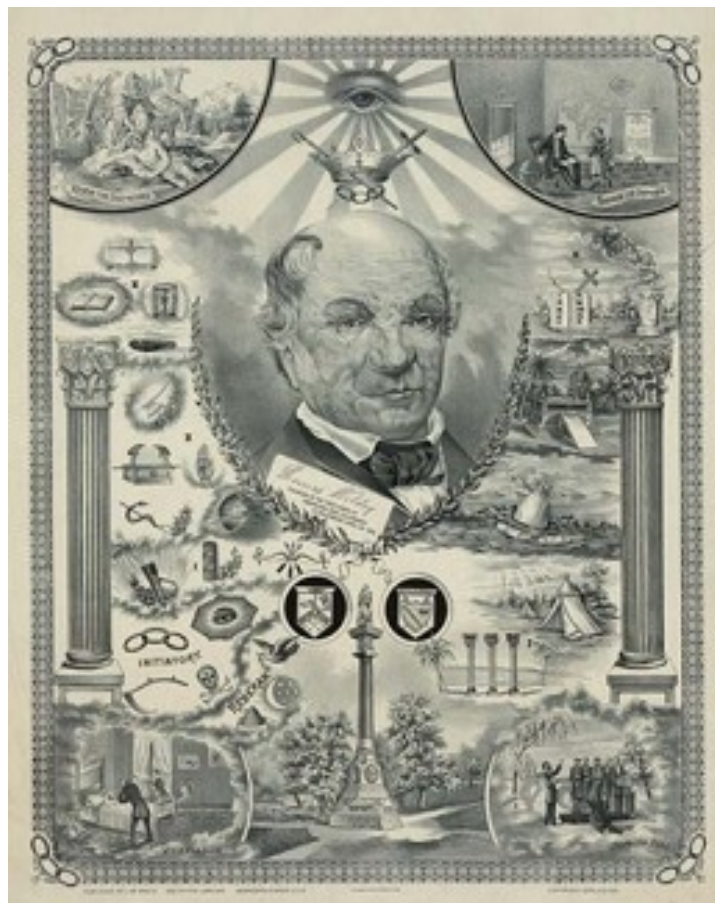

Continued from cover, Thomas Wildey: then as Grand Master of Maryland and later as Grand Sire of the Grand Lodge of the United States, a post he held from 1825 to 1833. He devoted full time to his lodge work. He had retired from his trade and bought a restaurant which was run by members of his family. When suitable quarters could not be obtained, he gave this house as a place of meeting. When funds were not available, he gave liberally of his own money. He gave Odd Fellowship his labor, working for its advancement in his own city of Baltimore, traveling to other states and even going to England when necessary.

He lived to see the fruits of his labor. The Order took a firm hold in the community. Its membership improved in quality as well as quantity. It became better organized with a better system and a better ritual. It abolished old customs which were distasteful to the rising generation and separated from the Manchester Unity and became an Independent body. By 1833 it had spread into 12 states with more than 100 lodges and about 6,500 members. The time had passed for 1-man rule and Thomas Wildey stepped down as Grand Sire. He became a laborer in the ranks and devoted as much time as ever for his beloved Order. He gave advice and counsel when needed and watched with great gladness the Order he had founded.

He had unbounded enthusiasm. No task was too hard for him to perform; no difficulty was too great for him to overcome; no burden too heavy for him to carry. It was his energy that kept Odd Fellowship alive in its days of weakness and he supported it until it was strong enough to stand alone.

A generous man in every sense of the word, he loved Odd Fellowship for the pleasures and comfort it gave him but above all he loved it for what it could do for suffering humanity. His whole life was wrapped up in Odd Fellowship and in Odd Fellowship he lived the full measure of a man and being dead, he yet lives...lives in the hearts of all who believe in our great principles. *International Odd Fellow, April 1969*

*Still round the corner there may wait,
a new road or a secret gate. ~JRR Tolkien*

With the passing away of the old year passes many failures and many disappointments, many friends and many heartaches.

The old year is dead, but "let the dead past bury its dead," for as the last stroke of twelve peals out from eternity's clock on December 31st was born the new year 1909 (2018), and with it came new hopes, new aspirations and new inspirations.

Let us work for the betterment of ourselves and our brother men, adding in ever so humble a way a happy thought here, a helpful suggestion there, and aiding some discouraged and struggling one over life's rough places. Let us so conduct ourselves that at the end of 1909 (2018) the Whole year will breathe out a sweet benediction.

May the new year bring success to those who have met with failure. May it bring full and happy realization to the disappointed, bring prosperity to all those who have been bound under a load of adversity, and peace and happiness to all mankind. *Pacific Odd Fellow January 1909*
