Willow Odd Fellow Lodge No. 66 Invites Local State Champion High School Football Team To Dinner

On January 13, the Willow Lodge in Heppner invited our local high school football team and coaches to our monthly dinner. Our team won the State Championship this season and have proven to be an excellent example of determination, great sportsmanship and hard work both on and off the field. Our organization wanted to honor their achievements by providing a wonderful meal and an evening of fellowship. The players were asked by their coaches to introduce themselves, their grade in school, their number and position on the team, and their parents name. Seventy two people were on hand with all 35 players and 5 coaches. The players and coaches greatly appreciated the evening and it was our pleasure to acknowledge this team of young men.

Grand Master *Sheryl Rohde*

Soon our lodges will be changing officers. Have you developed a plan for the 2016 year? Have you set any goals for your Lodge so next year at this time you can reflect on the accomplishments you made? I know if you don't write them down you can say well....we just talked about that.... we didn't actually say we were going to do it. On the other hand if you do write them down you can actually see what you did accomplish, ..and so what if you didn't quite meet your goal, you can see the progress and know just how much more you need to do to get there. Maybe it will take just a bit more ormaybe...you surpassed your goal.. WHAT A GREAT FEELING. If you begin to document your ideas and goals it is much easier to keep on track and see your progress. Try it you might like it!

As I travel around the state and see the halls, I want to thank those Lodges who are stepping up to start (in some cases) a very large undertaking to bring our Lodge halls back to being some of the better buildings in our communities. When our forefathers started our Lodges they worked hard to build, maintain and pay for the buildings. Then after the mortgages were finally paid off, they sat back and admired and enjoyed the fruits of their labors. A few generations passed when there wasn't a lot of upkeep needed and we got into a comfort zone. Some of us stayed in that comfort zone too long and now there is much to do to bring our buildings back. I'm not pointing fingers I'm just stating facts. We have a generation of people who fell into the.....it's ok the lodge will be here as long as I am...crack, and they forgot that we are only caretakers of this Order. It is not only our duty but our privilege to care for our Order and pass it on to the generations who come after us. So thank you to the Lodges who are looking into the future and making plans to carry us into that future.

I have exciting news on a couple of areas. First, our First Annual Oregon Youth Day will be held April 23, 2016 at the Lebanon IOOF Hall from 9am to 3pm. This is an effort to get all youth groups, (United Youth Groups and Theta Rho Girls) together to meet, share ideas and plan some shared activities. It will also be a time for all interested adults who are either currently working with one of our groups or someone interested

in working with youth in some capacity to attend and participate. There will be activities for the youth as well as an adult meeting to get help and information. We hope to see as many youth as possible and interested adults. A meeting itinerary will be in the next paper. Set the date. APRIL 23RD.

On another fun note, we have an opportunity to share our ideas with others at our Grand Lodge and Rebekah Assembly Sessions. If you have pictures of activities your lodge has participated in, put them on a flash drive and bring them to sessions. We have monitors throughout the building that we can have a continuous loop of pictures running the entire time we are in Seaside. If you want to identify your lodge in the photos that will be great, but the idea is to spark an idea in others from seeing events that maybe some haven't thought about.

Speaking of our sessions, I hope some of you who have not sent representatives to sessions for a few years will consider sending someone this year. It is sad when we only have representatives from 50-60% of our Lodges. This is your chance to have a voice in the workings of YOUR Grand Lodge. Don't let a few make the decisions then be unhappy about the results. Think about joining us and make plans accordingly. We would love to have you attend.

Fraternally,
Sheryl Rohde, Grand Master

Grand Secretary's Corner Ron Kunze

Greetings, Brothers and Sisters
 Please keep in mind to get your annual reports in. We have 10 Lodges who have not turned theirs in yet. I will be calling them soon. We are getting ready for Grand Lodge as we speak so we hope to see you all there on May 17th thru May 20th.

Fraternally,
 Ronald Kunze, Grand Secretary

92. For vacant property owned by a lodge or the Grand Lodge, members could establish a community garden.
93. Lodge members could clean up litter in areas of towns and cities on streets and roads.
94. Lodges who possess pressure washers can remove graffiti from vandalized surfaces in their communities.
95. Members can save pull tabs from soda cans and donate to nearest Ronald McDonald House.
96. Try tree-planting programs, if they are available in your area. These programs protect the environment.
97. Members can volunteer at pet rescue center. People are always needed to help clean cages, feed animals, and assist with official details.
98. Provide an I.O.O.F. information table, alongside local college fraternities, after gaining permission, at a local college fair. (for those campuses that allow outside organizations)
99. Establish a matching fund program in which the public contributes money via sponsorship to support foster children (and such programs) through a fundraiser activity; i.e. members swim lake, long distance bike ride, marathon dance, distance run, fishing tournament (most fish), field goal kicking, baseball throwing, football accuracy, hot dog or pie eating contest, and more.
100. Distribute inexpensive bottles of water to individuals who are indigent or otherwise without readily available water (i.e. those available workers that hang out at Home Depot, homeless people, and others. Some lodges have I.O.O.F. labeled bottles. This would enhance our image in the community as being a caring organization.

From the Desk of the Assembly Secretary *Mary Houle'*

I hope all of you are ready for spring, I know I am. March is Arthritis month so this may be a good time for your lodge to do a special fundraiser to support this project of our Order.

I am sorry for any inconvenience that you may have had over my e-mail being hacked. All of my contacts were deleted by the criminals who hacked my account so it is taking some time to recreate all of my contacts. Thank you for your understanding and patience.

I would like to remind all of the lodges that all donations and contributions to President's projects and the projects of our Order must go through the Rebekah Assembly office. The President should only be given money that is a personal gift to her.

Thank you to all of the lodges who have turned in their District Deputy recommendations and your representative slips. I truly appreciate how prompt you are. If you have not returned your recommendations and slip please get those to me after your first meeting in March. It will make planning for session so much easier.

District Deputy Presidents please remember to turn in your State of the Order Reports. The State of the Order committee needs those reports to be able to write their report.

Just a reminder, our sessions are at the Seaside Convention Center in Seaside on May 18, 19 and 20. The registration forms are in this paper. I look forward to renewing friendships and making new ones at our sessions and know that all of you do too.

Fraternally,
Mary Houle', Secretary

Grand Matriarch *Cassatina Barnes*

Matriarchs,

Here it is only a few months from assembly. I just cannot believe how fast this year has gone by.

My cousin Genee Heinz, who is my Grand Marshal, and I went to Seaside to the planning session for assembly.

I will be going to Willamette No. 2 Ladies Encampment Auxiliary on the 11th of March as they will not have enough in attendance at their February meeting.

I would like to tell you, how proud I am of my Ladies Encampment Auxiliary Wimawhala No. 6 for all of the support that they have given to me this year.

In F L & T,
Cassatina Barnes, Grand Matriarch

UNP News!

As you are reading this, all of the money from the lodges and all of the Registration materials from the delegates should have been turned in. Whew! That is a huge step for our program. During the next 4 months we will be in contact with the delegates about all of the details of the trip, including the "dos and don't's" of flying today.

Your State UNEP Committee will be meeting March 6th to prepare for the Send-Off Dinner at the Holgate Center on Friday, July 8th. We will be sending out dinner tickets to the local lodges and this is a huge fund raising event for us. It is so very important to our committee, but it is also an opportunity for your lodge. Many lodges around the state do not actively send delegates, but support the program in many ways. Purchasing these tickets allows our program to begin funding and planning the next year's program. Please help support kids from around the state through the purchase of these tickets.

As mentioned before, Oregon has 35 delegates this year and they come from Seafoam Lodge, Woodlawn Lodge, Mt. Scott/Star Lodge, Area 12 (Jackson and Josephine Counties), Klamath Falls, Bandon, Area 7 (Marion, Linn, and Benton Counties), Springfield Lodge, Spencer Butte Lodge, Cottage Grove Lodge, Area 6 (Clackamas County) Samaritan Lodge, Area 3 (Washington County), Tillamook Lodge, Pendleton Lodge, Myrtle Lodge, Montezuma and Peninsula Lodge.

Peninsula Odd Fellow Lodge No. 128 Celebrates

A great night of celebrating events February 9th. Grand Master Sheryl presented Annette Gearhart with the Odd Fellow Merit of Honor Award. The members voted on Annette being recognized for her many years of service to the lodge. Annette has filled many offices, including that of Noble Grand and Secretary. She served as Trustee for many terms and helped in the recent remodeling decisions for our building. She also served as right supporter to the Noble Grand for many different members. With her knowledge and skills, she helped them through their year. The members gave Annette a standing ovation after the Grand Master presented her a beautiful certificate and the jewel. Annette's husband, Dennis, surprised her and pinned her jewel on her. Annette is the daughter of Claus and Joan Scheer.

The Grand Master presented Vice Grand Claus Scheer with his 70 year Veteran's Jewel. Claus joined Eureka No. 32 in Pendleton in 1946. Sheryl then presented David Scheer with his 35 year Veteran's Jewel. David joined Peninsula No. 128 in 1980. David was Peninsula's U.N. delegate in 1976.

As it was also Claus's 88th birthday, the members presented Claus with a beautiful birthday cake and sang "Happy Birthday" for him. It was a very memorable evening, especially having our Grand Master Sheryl with us.

Mt Scott/Star Lodge No. 188 Mission for the Homeless "Knitting for the Homeless"

Seldom has a Lodge of the Independent Order of Odd Fellows made such a difference in the daily lives of the homeless in Portland. Mt. Scott/Star Lodge No.188 is such a Lodge.

As has been previously reported, Mt. Scott/Star Lodge No.188 has joined together with other Fraternal Benefit Societies and Service Organizations to provide over 364 sleeping bags to the homeless in Portland. While sleeping bags provide warmth to those living on the streets, an additional need was discovered. The need is for warm hats. Mt. Scott/Star Lodge No.188 answered the call to provide knitted hats for both adults and children.

The founder of the Mission for the Homeless presented "Certificates of Appreciation" to three Mt. Scott/Star Lodge No.188 members, Flo Leis, Ede Brown, and Janie Long who collectively knitted hats to keep the homeless warm for the winter. With their efforts over 300 hats were donated in 2015!

The attached picture tells the story.

We encourage all Lodges in Oregon to serve the needs of the homeless either by themselves or by joining the efforts of Mt Scott/Star Lodge No.188 as Woodlawn Lodge No.171 has in 2015.

Grand Master's Coins In Grants Pass

When Grand Master Sheryl Rohde made her official visit to Golden Rule Lodge No. 78 on December 9, she asked that our lodge select three individuals in our area that are making a difference in the community and recognize them with the "You Make A Difference" coin.

Golden Rule Lodge began the process of selecting worthy people and narrowed it down to the following who were honored recently by having Noble Grand Hal Miller present the coins to them at their place of employment.

Pictured above is Lloyd "Pinky" Stiewig PGM, Colene Martin Executive Director of the Grants Pass Chamber of Commerce and Noble Grand Hal Miller. Colene and her staff work tirelessly to not only to promote the businesses of our city BUT she also gets the Chamber involved in bringing activities to Grants Pass like Concerts in the Park and the Fourth of July Fireworks, to name a few, for the enjoyment of all our residents.

What do you get when you cross poison ivy with a four-leaf clover? A rash of good luck. *-Author Unknown*

NG Hal Miller presents a "You Make A Difference" coin to Jeff Hyde, President of Evergreen Federal Bank, who accepted it on behalf of all the bank's employees. Over the years Evergreen Bank has supported the artists in town who have produced unique works of art that are displayed in town and at their workshop, "The Bear Hotel," which every Christmas is turned into a magical Christmas Land for young and old to enjoy.

The last "You Make A Difference" coin went to Recently Retired Interim Fair Grounds Manager, Mary Groves, who three years ago took charge of a financially strapped fairgrounds and worked diligently to bring the Josephine County Fairgrounds out of debt and make it once again a viable and an integral part of our community. Notice that she was still at the office, so being retired means little to this dynamic woman.

HAPPY ST. PATRICK'S DAY

Springfield Lodge Had a Busy December

In December Springfield Odd Fellows Lodge No. 70 entered our float in the Springfield Parade. The theme was "The 12 days of Christmas". One side had pictures of traditional, and the other side was whimsical. We won a 3rd place ribbon. We had 45 members, family and friends on the float. Some of them handed out candy. We passed out approximately 15,000 pieces during the parade.

Pictured above: Our traditional and right our whimsical float. *Bottom:* Our Three Links and Our Award.

For Springfield's Odd Fellow's Christmas Party, we had the "Diamond Dames Quartet" sing. Santa (Danny Jones) handed out gift certificates from McDonalds, candy canes, peanuts and fruit. We also had a spaghetti feed that our member Scott Miller cooked for everyone. Santa with Brinley, the youngest guest at our party.
